ST. CHARLES COMMUNITY COLLEGE
DIRECT COURSE EQUIVALENCIES FOR
UNIVERSITY OF MISSOURI - ST. LOUIS

Revised February 2012

The following is a list of courses that transfer directly to UMSL with a direct course equivalency. If a course does not appear on this list, check the UMSL course equivalency website and contact the UMSL Transfer Coordinator to see if it will transfer toward your program of study.

Students need to consult the transfer guide for their major in order to take courses that will transfer as either general education or major field requirements. If a major has not been chosen, the general education transfer guide shows the courses that are common requirements to most UMSL degrees.

For the most updated information on course transferability to this institution, check the University of Missouri – St. Louis website. www.umsl.edu/~transfer

Students should initiate contact with their transfer school during their first semester at SCC and maintain contact throughout their enrollment at SCC. EVERY COURSE TAKEN AT SCC SHOULD BE CONFIRMED BY THE TRANSFER SCHOOL AS TRANSFERRING AS A GRADUATION REQUIREMENT FOR THE STUDENT'S MAJOR. It is the student's responsibility to ensure that their credits will transfer.

Should you experience difficulty transferring your SCC coursework to another institution, contact the Vice President for Academic and Student Affairs for assistance with an appeal to the receiving institution.

Consult with your UMSL advisor before taking <u>any</u> course that transfers as any type of elective to determine transferability of that course toward <u>your</u> program of study at UMSL.
IMPORTANT: Students earning the 42 hour general education block or Associate of Arts Degree will automatically meet the lower division general education requirements for UMSL.

*Students who will major in the college of Business and plan to complete CPT 115 in Fall 2012 or after must pass an UMSL proficiency exam to earn equivalency for INFSYS 1800 and meet the prerequisite for INFSYS 2800. It is strongly recommended to also take CPT 103 to have the underlying skills necessary for success in INFSYS 2800. <u>If CPT 115 was taken before Fall 2012, CPT 115 will transfer as INFSYS 1800</u>, but taking the INFSYS 1800 proficiency exam at UMSL is strongly recommended in order to measure preparedness for INFSYS 1800.
