Our Mission

To foster excellence in accountancy by:

1. Providing a rigorous educational experience as a framework for lifelong learning to individuals of diverse academic backgrounds
2. Creating, expanding and disseminating knowledge through scholarly activities
3. Serving the academic, professional and business communities

The graduate and undergraduate accounting programs at UM-St. Louis are accredited by AACSB International. UM-St. Louis is the only university in St. Louis, and one of only five in Missouri to hold AACSB accreditation in both business and accounting.
