

## Creator October Newsletter

Wow! I have had a great first few weeks with all of my new Creator friends. We are all having a great time getting to know one another. The children in the Creator room have done a great job of welcoming me to the classroom, and there are a few new Creators whom I would like to welcome as well. Our newest Creators are Alice Fisher, Christophe Owona, Arden Roy, Zora Thomas, and Maxwell Vogt who came to us from the Discoverer's room. We also have Max Angelica, Emmanuel Daigle, Maxwell Smith, and Audrey Talbott who are new to the University Child Development Center. Trish and I would like to welcome all of our new friends and their families to the Creator classroom. In an attempt to know more about each of you and your children, I will be sending home a survey for you to fill out. Please return it as soon as possible to help me get a better understanding of your child.

Recently the Creators have shown that they truly enjoy music and movement and story time. I have introduced several new songs and fingerplay activities, which the Creators seem to really enjoy. Also, I have brought "Special Library" books for the children to look at as they please. As this has proven to be especially fun for the children, please feel free to offer any suggestions for story or songs that are favorites for your child.

During the month of October UCDC has planned a couple of special activities. On Friday, October 5<sup>th</sup> from 5 p.m. to 7 p.m. we will have our Fall Festival. The Festival will be held at Theis Pumpkin Farm. We will have a potluck and a basket raffle. Please see the Creator attendance sheet for the potluck and raffle sign up sheet. The Sleep and Young Children Seminar will be held at the Child Development Center on Thursday, October 18<sup>th</sup> from 6 p.m. to 7:30 p.m. dinner will be served and childcare will be available.

### **Reminders:**

- As the weather begins to change, please make sure that your child has clothing that is clearly labeled and appropriate for the weather. We want to make sure that in the event that one of our Creators has to change clothes there is something comfortable for them to wear. Also, please send a jacket that your child can leave at school for cooler days.
- Please make sure to see a teacher and sign the attendance sheet when dropping off and picking up. We want to make sure that we are aware of each child's arrival and departure.
- Each Creator works very hard creating projects that are meaningful to them. As they do so, we encourage them to either take their work home or put it on display in the classroom. Therefore, it is very important to stop by the classroom or the file folders and see your child's projects.

### **Dates to Remember:**

- ❖ Friday, October 5<sup>th</sup>—Theis Pumpkin Farm
- ❖ Thursday, October 18<sup>th</sup> – The Sleep and Young Children Seminar
