Getting Mobile

Mackenzie, Henry, Kolton & Dylan have become quite mobile these days. They are exploring the mobile room with a great curiosity. Crawling through the tunnel has become one of their favorite things to do, and they do it well!

Family Photos

If you have not already done so, please bring in a family photo. We will display these where the children can see them and look at their families throughout the day!

DONATION STATION

- MUSIC, MUSIC, and more MUSIC!
We love having a wide variety of music for the children to experience and hope to build our music collection for them. Does your child have a favorite CD that the class might enjoy hearing? If so, we would appreciate a copy of it, or you may bring yours in to share. Genre suggestions include, but not limited to: Classical, Jazz, Blues, Instrumentals, Children's songs, Lullabies, Meditation "soundscapes", as well as any others you feel appropriate for our young listeners.
- Wind chimes are wonderful to listen to and are fun for the children to see. We would like to decorate our room with a few for the children's enjoyment. They

swat at them with their little hands and instantly become amazed as the chimes sway back and forth and produce their lovely musical tones. What a great way to introduce more music into their lives!

- We always accept plastic bags and appreciate your donations. Thank you!

Notes

- ✧ **An important reminder:** The center closes at 5:30 and children need to be picked up by this time! On the rare occasion that an emergency prevents you from being here on time, please call and let the staff know that you are running late. UCDC policy states that you will be charged one dollar per minute that you are late. You will be asked to sign a late slip and the cost will be added to your tuition.
- ✧ It is of the utmost importance that **all bottles, including caps and rings, be labeled with your child's name and the date every day!** Many of the children use the same type of bottle and it can be difficult to distinguish one from the other.
