

University of Missouri-Saint Louis Biochemistry and Biotechnology Program Symposium on Nucleic Acids

Friday, October 25, 2013

- 1:00 - 2:00 pm Jim Maher, Mayo Clinic College of Medicine
"RNAs That Imitate DNA, DNAs that Imitate Protein"
- 2:00 - 3:00 pm Scott Silverman, University of Illinois
"DNA as a Catalyst"
- 3:00 - 3:30 pm Coffee Break
- 3:30 - 4:30 pm Doug Chalker, Washington University
"Tending the Junk: DNA Elimination via Heterochromatin formation in *Tetrahymena*"
- 4:30 - 5:00 pm Student Discussions with the Speakers

Stadler Hall Auditorium (Room 104)

Admission is free. All are welcome.
