UNDERGRADUATE COURSES

GS 2102-001  Introduction to Gender Studies

- Class: 11127
- Instructor: Swindle
- Mode: ONLINE
- Dates: May 19- August 9
- Credit Hours: 3.0
- Same As: Soc Wrk 2102, Hist 2102, Soc 2102
- Notes: Online supplemental fee applies.

This core class is required for all Women's and Gender Studies Certificate earners. This class introduces students to cultural, political and historical issues that shape gender. Through a variety of disciplinary perspectives in the humanities, social sciences, and natural sciences, the course familiarizes students with diverse female and male experiences and gendered power relationships. This course fulfills the General Education requirement.

GS 2150-001  Special Topics in Gender Studies: Sex & Gender Across Cultures

- Class: 10962
- Instructor: Koziol
- Mode: In Person
- Dates: May 19-June 14
- Time: MTWTh 9:30a-12:00p
- Location: CH 300
- Credit Hours: 3.0
- Same As: Anthro 1041

This course considers womanhood, manhood, third genders, and sexuality in a broad cross-cultural perspective. The focus of the course is on the diverse cultural logics that separate females, males and sometimes third genders into different groups in different societies, with the male group usually being the more prestigious one. Focusing on indigenous non-Western cultures, this course examines gender roles and sexuality within the broader cultural contexts of ritual and symbolism, family, marriage and kinship, economy, politics, and public life. This course will help students understand what it is like to be male or female in non-western cultures. This course fulfills the Cultural Diversity requirements.
GS 2150-002  Special Topics in Gender Studies: Social Psychology

Class: 11460
Instructor: Lee
Mode: In Person
Dates: May 19-June 14
Time: MTWTh 9:00a-11:30a
Location: BH 101
Credit Hours: 3.0
Same As: Psych 2160

This course examines the behavior, thoughts, and feelings of individuals in their social environments. The content focuses not only on how people relate to one another, but also on the processes affecting their interactions with others. Specific topics include the self, social judgments, attitudes and persuasion, helping behavior, prejudice, aggression, attraction, conformity and obedience, and group processes.

Class: 11821
Instructor: Bruce
Mode: ONLINE
Dates: June 16-August 9
Credit Hours: 3.0
Same As: Psych 2245
This course examines the historical views and current perspectives on the possible antecedents, symptoms, and treatments of major psychological disorders, including anxiety, dissociative, mood, somatoform, eating, schizophrenia and substance-related disorders. Major diagnostic categories and criteria, individual and social factors of maladaptive behavior, methods of clinical assessment, research strategies, and types of therapy will also be covered. All psychology majors must complete this course with a grade of C- or higher.

**GS 2150-009 Special Topics in Gender Studies: Developmental Psychology**

- **Class:** 11822
- **Instructor:** Taylor
- **Mode:** In Person
- **Dates:** June 16-August 9
- **Time:** TTH 12:30p-3:00p
- **Location:** BH 101
- **Credit Hours:** 3.0
- **Same As:** Psych 2270

This course systematically examines theories and research concerning the physical, social, emotional, and cognitive development of children from conception through adolescence. It will provide students with a basic knowledge of infant, child, and adolescent development; its subject matter; its approaches to gathering and evaluating evidence about the causes of behavior; and the ways in which our knowledge is applied to enhance the development and the quality of life of children. It is intended for Psychology majors and students with career interests in research, education, and/or the treatment of children. All Psychology majors taking this course instead of PSYCH 2160, must complete it with a grade of C- or higher.

**GS 2150-010 Special Topics in Gender Studies: Psychology of Death and Dying**

- **Class:** 11823
- **Instructor:** Steffen
- **Mode:** ONLINE
- **Dates:** June 16-August 9
- **Credit Hours:** 3.0
- **Same As:** Psych 2280, Geron 2280

A beginning exploration of end-of-life issues integrating the scholarly, social, and individual dimensions of death and dying. This course provides a solid grounding in theory and research, as well as practical application to students' lives.

GS 4350-E01 Special Topics in Gender Studies: Masculinities

Instructor: Conway-Long
Mode: In Person
Dates: May 19-July 12
Time: MW 5:30p-8:15p
Location: CH 312
Credit Hours: 3.0
Same As: Soc 4600

This course examines men and masculinities through a critical lens, looking carefully at an institutionalized system of gender relations and practices that is assumed to be a natural phenomenon that is culturally universal. The course explores various masculine behaviors, myths, ideologies, and experiences so that students can consider the relationship between masculine practice and social power and delineate choices for future directions. The course is necessarily interdisciplinary and may utilize tools and methods from the social sciences and the humanities. Satisfies GS gender theory requirement.

GS 4352-001 Independent Studies in Gender Studies

Credit Hours: 1.0-3.0
Notes: Special consent form required.

GS 4353-001 Internship Studies in Gender Studies

Class: 10965
Instructor: Nigro
Dates: June 16-August 9
Credit Hours: 3.0
Notes: Special consent form required.

GRADUATE COURSES

GS 5450-G01 Gender & Aging

Class: 11839
Instructor: Wayland
Mode: In Person
Dates: June 16- August 9
Time: TTh 5:30-8:10
Location: BRH 221
Credit Hours: 3
Same As: Gero 5320
This course examines advancing age through a gender lens. Men and women experience aging differently based on a host of genetic, biological, psychological, sociocultural and personal identity factors. This course challenges students to consider aging from various perspectives, including cultural expectations and norms, couple and family relationships, health and function, work life and retirement, sexual orientation, gender identity, concerns of LGBT elders, and veteran’s issues.
