

ST. LOUIS AWARD SYMPOSIUM

Sponsored by the St. Louis Section of the American Chemical Society
and the University of Missouri-St. Louis

in honor of the 2009 recipient:
Dr. Christopher D. Spilling
Professor of Chemistry and Biochemistry.
University of Missouri-St. Louis

Friday October 16, 2:00 - 5:00 pm
Room B451, Benton Hall
University of Missouri-St. Louis.

PROGRAM DETAILS

2:00 Welcome and General Introductions. Dr. William Doub, Chair, St. Louis Section.

2:05 Introduction of Christopher D. Spilling, 2009 winner of the St. Louis Award of the St. Louis Section of the American Chemical Society. Dr. Keith J. Stine, UM-St. Louis

2:10 Symposium moderator Dr. Christopher D. Spilling - General Remarks.

2:15 - 3:00. Dr. Paul R. Hanson, Department of Chemistry, University of Kansas,
"Multivalent Activation in Cyclic Phosphates: Application in Natural Product Synthesis"

3:00 - 3:45 Dr. David F. Wiemer, Department of Chemistry, University of Iowa
"Synthesis of Schweinfurthins and Related Natural Products via Cascade Cyclizations"

3:45 - 4:15 Refreshment Break

4:15 - 5:00 Dr. William Donaldson, Department of Chemistry, Marquette University
"Synthetic Applications of Organo-iron Complexes: Strategy and Serendipity"

5:15 - 6:30. A reception will follow the symposium in the Center for NanoScience which is adjacent to the Colloquium Room

(Parking for the Symposium is available in the West Drive Garage. West Drive is off Natural Bridge Road.)
