

U.S. Bank Cybersecurity Scholarships - Fall 2020

U.S. Bank is proud to offer 4 x \$2500 (total \$10,000) in scholarships to students pursuing a Cybersecurity program at the University of Missouri-St. Louis.

Number of Available Awards: 4

Scholarship Award Amount: \$2500 each

Application Deadline: July 15, 2020 by 11:59 p.m. Central Time

Each of the four \$2500 scholarships will be awarded based on academic merit and likelihood of successful completion of a cybersecurity focused curriculum and transitioning into full-time cybersecurity related work.

Eligibility Criteria

These are competitive scholarships. Minimum eligibility criteria include:

1. You must be either a current **or** prospective student, enrolled by the beginning of Fall 2020 semester, in **at least one** of the following programs:

1. Bachelor of Science in Cybersecurity
2. Master of Science in Cybersecurity
3. Undergraduate Certificate in Cybersecurity
4. Undergraduate Minor in Cybersecurity
5. Graduate Certificate in Cybersecurity

(If you have not already declared a certificate or minor, you may do so by July 15, 2020 to be eligible for the scholarship. Please talk to your academic advisor to declare your certificate/minor in cybersecurity.)

2. Minimum cumulative campus GPA of 3.0 in the current or most recent program

3. Scholarship Awardees must commit to attending and speaking at an official scholarship awards ceremony to be held the second or third week of October 2020. Depending on the COVID-19 restrictions, the awardees may be asked to create short video statements instead of the in-person awards ceremony and/or participate in a virtual ceremony.

4. Past US Bank or MasterCard Cybersecurity Scholarship recipients are not eligible to apply.
