TO: Members of the Faculty Senate

FROM: Vic Battistich
Chair, Faculty Senate Research Committee

RE: Annual Report for 2006-2007

The Research Committee had four primary responsibilities during the 2006-2007 academic year:

1. *Evaluate Funding Proposals for the Fall and Spring UMSL Research Award Competition.* During 2006-2007, a total of 40 proposals for research awards were reviewed by the committee. Of these, 20 or 50% were funded (in full or in part) for a total of \$177,688. (During 2005-2006, the committee funded 23 of 33 proposals, or 70%, for a total of \$197,393.)
2. *Evaluate Funding Proposals for the Fall and Spring UMSL Small Grants Competition.* A total of 61 small grants (92% of the total of 66 submissions) were funded (in full or in part) during 2006-2007, for a total of \$37,961. (The corresponding figures for 2005-2006 were 61 of 66 submissions, or 92%, for a total of \$40,782.)

Details of the research award and small grant allocations for 2006-2007 are included on the accompanying pages.

3. *Choose the Nominee for the President's Award for Research and Creativity.* The nominee selected by the committee for 2006-2007 was Richard Rosenfeld, Department of Criminology and Criminal Justice.
4. *Select the Winner of the Chancellor's Award for Research and Creativity.* The 2006-2007 award went to Joyce Mushaben, Department of Political Science.

Due to a variety of circumstances, analysis of data from the faculty survey in Spring 2006 regarding UMSL support for research, scholarship, and creative endeavors has not yet

been completed. It is expected that analysis will be completed this summer, and the findings reported to the Senate (and the faculty as a whole) in Fall, 2007.
