

New Program Proposal

MED Elementary Education with Elementary and Special Education Teacher Certification

M.Ed in Elementary Education with Elementary and Special Education Teacher Certification

This program of study is for individuals with a Bachelor's degree who would like to prepare for teacher certification in Elementary Education and Special Education. This option leads to Missouri Initial Teacher Certification in Elementary Teaching 1-6 with an add-on in Mild/Moderate Cross-Categorical Disabilities, K-12 Special Education.

Admission Requirements for the Option in Elementary Teacher Certification with an add-on in Mild/Moderate Cross-Categorical Disabilities, K-12 Special Education:

- A passing score on the designated Missouri Content Examination or an approved program of study
- A 2.75 or higher overall GPA
- Approved results of the Family Care Safety Registry
- A clear TB test or chest x-ray, if appropriate
- Students must meet the application deadlines set by The Graduate School

ELE ED 5990	Practicum II: Elementary/Special Education Site Based Experience	8
Total Hours		53

Rationale

The graduate level teacher certification program has been redesigned to meet the new Department of Elementary and Secondary Education (DESE) teacher licensure requirements and to provide more graduate credit options. Creating an option in the MED degree allows us to set admission standards incorporating DESE's requirements and to track student progress toward licensure.
