## Bachelor of Liberal Studies (BLS)

The Bachelor of Liberal Studies is a degree program that enables students to combine structured areas of academic emphasis in ways more relevant to their interests than the standard academic major.

Students who participate in this program must declare their areas of study (two minors or a minor and undergraduate certificate) at the time they declare that BLS is their intended degree. The plan of study must be approved at the beginning of the program.

The BLS program is administered through the Department of Philosophy.

To obtain a Bachelor of Liberal Studies (BLS), a student must complete:

- UMSL General Education Requirements (consult General Education section of course listings)
- In addition, students must complete the State Requirement (3) and Cultural Diversity Requirement (3) if not met in General Education course selection
- The university requirement of proficiency in English Composition
  - ENGL 1100 - First Year Writing (to be completed in the first 24 credit hours at the university)
  - Junior Level Writing
- The university requirement of proficiency in Mathematics (to be completed in first 24 credit hours at the university)
- A Liberal Studies Concentration (~~33-41 hours~~) to consist of two designated BLS Minors in participating departments or other units (~~minimum of 15 hours each~~) or
- A designated minor and any undergraduate certificate (~~minimum of 15 hours in each~~). No course may be used more than once.
- A capstone course<sup>1</sup> (minimum of 3 hours) selected from one of the ~~minors~~ concentration areas that make up the identified BLS core.

## Also Required

- Minimum of 45 credit hours in upper level course work (2000 or higher)
  - Electives 28-42
  - A minimum of 120 credit hours
  - Overall GPA of 2.0 or better
  - GPA of 2.0 or better in BLS combination areas (unless otherwise specified)
  - Minimum grade of C in all courses used in BLS combination areas
  - Residency requirement, in addition to campus residency, unless otherwise specified, 9 graded hours in each minor and certificate at 2000 level or above and one capstone course

<sup>1</sup> Note: Not all minors have a designated BLS capstone course so students must be careful to pair minors and certificates so that they have a capstone course.

### **Bachelor of Liberal Studies: Capstone and Other Restrictions**

1. Students who are planning to earn a Bachelor of Liberal Studies degree should declare the BLS as their major within the first 90 hours of the program. Declaration past this time may prevent timely graduation as all capstone courses are not available every semester.
2. The School of Social Work, as well as the Colleges of Education, Nursing, and the Joint Engineering Program are not participants in the BLS program.
3. The following Colleges/Departments participate in the BLS program but do not offer a capstone course and must be paired with a minor from one of the areas listed below: Business, Studio Art, Theater/Dance, Statistics, Undergraduate Certificates and Interdisciplinary minors.
4. Students admitted to the Pierre Laclède Honors College who wish to present the Honors Certificate as a minor for the BLS must complete the Honors Capstone, (one or two credit hours) and also direct three to six hours of their Honors independent study requirement to work demonstrably relevant to their BLS program. Students should consult the BLS faculty advisor in the Honors College about this requirement.
5. The capstone is required in addition to the courses presented for the minor. A minimum grade of C must be earned in the capstone course. The capstone course is not counted toward the minor residency requirement.
6. Students choosing to combine the minor in History of Science and Technology with a minor in the Philosophy of Science and Technology may use the same

course to satisfy the Logic and Methodology requirement for both minors and may select either PHIL 4491 or HIST 4999 as the capstone. However students selecting HIST 4999 must have also taken HIST 2999.
