Minor in Mathematics Education K-5

Minor in Mathematics Education K-5

A minor in Mathematics Education can be earned by successfully completing 18 hours of the mathematics education field. The following mathematics education courses may be applied to the Mathematics Education Minor.

ECH ED 4348	The Acquisition Of Mathematical and Science Concepts	3
ED TECH 5301	Introduction To Computers And The Internet In Education	3
ELE ED 4246	Teaching Mathematics In The Elementary School	3
ELE ED 4342	Addressing Needs In Mathematics Teaching And Learning	3
MID ED 4246	Teaching Mathematics In The Middle School	3

Rationale

Degree programs have been revised to include courses from these minors within emphasis areas. Most degree programs are now dual certifications. In addition, many of these courses no longer exist.
