Search for the next UM President:
Seeking Your Input

The UM System Presidential Search work team will be meeting with leadership groups on each of the four campuses to gather input regarding the desired traits, experience and qualities for the next UM President. In an effort to support a robust discussion during our scheduled time on your agenda, we would ask that you share these four (4) categories with your committee members for contemplation prior to the meeting date.

**Education**
Examples: PhD, Juris Doctor, MBA/Masters

**Experience**
Examples: Higher Education, Non-Profit, Complex Organizations, Government/Public Service, Business/Corporate

**Leadership Characteristics**
Examples: Intelligence, Integrity, Ethical, Executive/Legislative toolkits, Political Savvy, Visionary Leader

**Relationship to Higher Education**
Examples: Governing Board, Administrator, Faculty/Teaching Appointment, Alumni, Sitting President/Leader
Search for the next UM President: Seeking Your Input

Your input during these listening sessions, along with the Public Forums during the week of 4/4 - 4/8/16, will be compiled and presented to the Search Committee to finalize the qualifications. This information will be available on the Presidential Search website www.umsystem.edu/ps. Visit the website regularly for updated information related to the search.
