A Career Counselor Can Help You Answer:

- How do I “prove” myself in male-dominated fields/industries?
- Do I disclose pregnancy in an interview?
- Do I disclose marital or relationship status in the application process?
- What industries or companies offer "family friendly" policies?

Tips for Researching Employers:

- What percentage of employees are women?
- What percentage of those employees are executives/managers?
- Review the anti-discrimination policies
- Participate in employer information sessions, UMSL career fairs and campus recruiting
- Access UMSL Career Services Office resources
