

Seeking individuals to represent the American Cancer Society (St. Louis) for local health fairs. You must enjoy interacting with people and be passionate about fighting cancer, early detection and prevention. Duties will include: booth set-up, sitting and/or standing for extended periods of time, handing out informational brochures and packing up the booth. Training will be provided. Health fairs could be during the day, evenings, or weekends. Health fairs could be in the greater St Louis area, St Charles County, Jefferson County and other surrounding counties dependent upon needs. Must have own transportation. Mileage can be reimbursed at the IRS allowable rate of 14 cents per mile. Volunteers will have the opportunity to give availability for days, hours and how far they are willing to drive to a health fair.

The American Cancer Society combines an unyielding passion with nearly a century of experience to save lives and end suffering from cancer. As a global grassroots force of more than three million volunteers, we fight for every birthday threatened by every cancer in every community. We save lives by helping people stay well by preventing cancer or detecting it early; helping people get well by being there for them during and after a cancer diagnosis; by finding cures through investment in groundbreaking discovery; and by fighting back by rallying lawmakers to pass laws to defeat cancer and by rallying communities worldwide to join the fight.
