What a Difference an UMSL Business Degree Makes!

The University of Missouri–St. Louis College of Business Administration

provides its students a solid foundation of general business theory and practice, along with the opportunity to specialize in one of seven major subject areas:

Accounting, Finance, Information Systems, International Business, Logistic and Operations Management, Management and Marketing.

At UMSL's College of Business, you will acquire expertise, knowledge, and skills to help you get ahead and build a solid foundation for your future. An undergraduate degree from the College of Business Administration is extremely versatile and opens the doors to virtually unlimited career opportunities in fields as diverse as banking, manufacturing, information technology and health care.

In addition, student participation in internships with the University's public and corporate partners paves the way for subsequent employment.

Our Equation Makes a Difference:

Quality

- The Accounting program is only one of five in Missouri to have AACSB accreditation.
- The College is among only 10% of programs worldwide with AACSB accreditation in business.
- The International Business program is ranked in the top 20 by *U.S. News and World Report*.
- The Information Systems faculty are ranked #3 in productivity in the U.S.

Access

- UMSL business programs has produced more than 20,000 alums working in the St. Louis area – more than any other program.
- The College offers online and weekend courses that add convenience and variety to our curriculum.
- UMSL's College of Business offers degree completion programs in locations such as Wildwood, St. Louis Community College and St. Charles Community College.
- The College's transfer agreement with local community colleges ensures a seamless transition to our degree completion program.

Real World Experiences

- Faculty and students are involved with over 40 research and consulting projects with St. Louis business firms each year.
- Our students receive mentorship opportunities from a committed group of executives in residence.
- The International Business Honors program provides students international experiences in Europe and Asia.
- UMSL business programs offer internships with all major accounting firms and companies like ExpressScripts, UPS, Boeing and others.

The College hosts speakers including top executives and business owners to provide real-world perspectives. The student Investment Trust allows you to "play the market" without personal financial risk.
