

College of Nursing

at the University of Missouri-St. Louis

FLEX RN to BSN Program

- The Nursing Program at the College is fully accredited by the Commission for Collegiate Nursing Education, the nationally recognized accrediting body for baccalaureate and higher degree programs, and approved by the Missouri State Board of Nursing.
- The policies of the University of Missouri-St. Louis comply with the provisions under those laws which forbid discrimination on the basis of race, color, sex, national origin, religion, age, handicap or veteran status in any program or activity of the university.
- The Bachelor of Science in Nursing degree requires 120 credit hours. RN/BSN students are required to complete 31 credit hours of nursing courses, including nursing statistics; 51 general education requirements; and are awarded 39 credit hours for their associate or diploma nursing courses. The University of Missouri-St. Louis requires that 24 of the last 30 credit hours be taken in residency.
- RN/BSN students may transfer general education credit hours from community colleges and other accredited colleges and universities.
