Sample Search: Find evidence based articles concerning preventing accidental falls in the elderly. Articles must be current (5 years).

- Search only the most important words: **preventing – falls**
 - Use the **truncation** or **wildcard** symbol (*) to search all forms of a word: *prevent* = prevent, prevention, preventing*
 - Limit your results by: **Date 5 years, Age group, and Evidence Based**
 - To obtain the *most* full text articles **DO NOT LIMIT** your search to Full text in *any* UMSL database

Search Tips

Reminder: Combining search terms with **AND** narrows search results. Each article retrieved should contain both major concepts.
