2. Letters of Recommendation

3. Personal Statement, Experience teaching writing and Departmental Interview

4. Transcripts (undergraduate and graduate) and Entrance examination(s)
Official transcripts from all universities attended. International applicants are required to document English proficiency by providing scores from an internationally accepted standardized examination before a decision is made on admission. Applicants from other countries are encouraged to provide a course by course report from one of three professional evaluation organizations in the United States – World Education Services (WES), Educational Credential Evaluators (ECE), or the American Association of Collegiate Registrars and Admissions Officers (AACRAO). Applications that include transcripts certified by one of these organizations take less time to process, which normally shortens the length of time it takes for an admission decision to be made.
