Degree Program

- MSN to Ph.D. Applicants:
  - MSN to Ph.D. students complete a minimum of 45 post-MSN credit hours and an additional 12 credit hours of dissertation. These 57 credit hours, in addition to 15 credit hours earned from Master’s level work, equal the 72 credit hours required for a Ph.D.
- BSN to Ph.D. Applicants:
  - BSN to Ph.D. students complete a minimum of 60 credit hours of graduate-level course work and an additional 12 credit hours of dissertation, which equal the 72 total credit hours required for the Ph.D. program.
- Part-time study is available for either program (MSN-PhD or BSN-PhD).
- Classes are offered online using asynchronous and synchronous methods.

Areas of Study: Nursing Science, Theory and Discipline of Nursing, Nursing Research Methods, Cognates and/or Electives, and Dissertation.

Coursework:
- Nursing Science, Theory, and Discipline of Nursing: 26 or more nursing credits including:
  - Nursing science
  - Advanced nursing theory development and validation
  - Discipline of nursing
- Nursing Research Methods: 12 or more nursing credits including:
  - Quantitative Methods in nursing
  - Qualitative Methods in nursing
  - Biostatistics
- Cognates:
  - All Ph.D. students (BSN-Ph.D. and MSN-Ph.D.) are required to take a minimum of 9 credit hours of cognates in the related area of research. The advisor must approve the cognate to ensure it meets the College of Nursing guidelines.
  - BSN-Ph.D. students must also take 6 credit hours of electives.
- Dissertation: Minimum is 12 credits hours.

Comprehensive Examination: a written and oral examination covering the entire field of nursing.

Dissertation: All students must defend orally a written dissertation proposal to their dissertation committee. A dissertation embodying the results of original research must be accepted by the faculty and the Graduate School.
