

## Non-Tenure Track or Visiting Faculty Position in Computer Science at the University of Missouri-St. Louis

The Department of Mathematics and Computer Science at the University of Missouri-St. Louis (UMSL) invites applications for a non-tenure-track or visiting Assistant Professor position in Computer Science beginning Fall 2017. Salary is competitive and dependent upon qualifications.

The department seeks applicants with proven teaching ability in Computer Science courses and good communications skills. The position has no research requirements. A minimum of Master's degree is required, in Computer Science or closely-related discipline with experience in computing and teaching.

At the present time, the department has about 25 full-time faculty members and about 10 graduate teaching and research assistants. The department offers Bachelor's and Master's degrees in Mathematics and Computer Science and Ph.D. in Mathematical and Computational Sciences with options in Computer Science, Mathematics, and Statistics.

Candidates must submit a letter of application, teaching philosophy, and current vita through the university submission system at <http://www.umsl.jobs>, under Faculty tab, then Prospective Faculty, ID# 21966. Three letters of reference, some of which address teaching, must be submitted with the application packet or alternatively can be emailed to [cssearch@umsl.edu](mailto:cssearch@umsl.edu). Additional questions may be directed to [cssearch@umsl.edu](mailto:cssearch@umsl.edu).

Review of applications will begin immediately and will continue until the position is filled. Additional information about UMSL and the region is available at <http://www.umsl.edu> and information about the Department of Mathematics and Computer Science is available at <https://www.umsl.edu/mathcs/>. UMSL is an Equal Opportunity and Affirmative Action Employer. The successful candidate must be able to show acceptable documentation establishing the right to accept employment in the US.
