

## **Faculty Positions in Computer Science at the University of Missouri-St. Louis**

The Department of Mathematics and Computer Science at the University of Missouri-St. Louis (UMSL) invites applications for a full-time, tenure-track faculty position at the rank of Assistant Professor in Computer Science, and another at the rank of non-tenure-track Assistant Professor in Computer Science, beginning Fall 2017. Salary is competitive and dependent upon qualifications.

For the tenure-track position, the department seeks applicants with potential and proven ability to conduct outstanding research, and with strong commitment to teaching at both the undergraduate and graduate levels. Qualified candidates in all areas of Computer Science will be considered, with preferences given to candidates with overlapping research interests of the current faculty. A Ph.D. in Computer Science or a closely related area is required. Three letters of reference which address research and teaching (if any) must be submitted to [cssearch@umsl.edu](mailto:cssearch@umsl.edu).

For the non-tenure-track position, the department seeks applicants with proven teaching ability in Computer Science courses and good communications skills. The non-tenure-track position has no research requirements. A minimum of Masters degree is required, in Computer Science or in another discipline with experience in computing and teaching. Three letters of reference which address teaching must be submitted to [cssearch@umsl.edu](mailto:cssearch@umsl.edu).

At the present time, the department has about 25 full-time faculty members and about 10 graduate teaching assistants. The department offers Bachelor's and Master's degrees in Mathematics and Computer Science and Ph.D. in Mathematical and Computational Sciences with options in Computer Science, Mathematics, and Statistics.

Candidates must submit a letter of application, statement of research (tenure-track only) and teaching philosophy, and current vita through the university submission system at <http://www.umsl.jobs>, under Prospective Faculty, job number 21953 for tenure-track and job number 21966 for non-tenure-track. Three letters of reference must be submitted directly to [cssearch@umsl.edu](mailto:cssearch@umsl.edu). Additional questions may be directed to the same address.

Review of applications will begin immediately and will continue until the positions are filled. Additional information about UMSL and the region is available at <http://www.umsl.edu> and information about the Department of Mathematics and Computer Science is available at <https://www.umsl.edu/mathcs/>. UMSL is an Equal Opportunity and Affirmative Action Employer. The successful candidate must be able to show acceptable documentation establishing the right to accept employment in the US.
