

CREATING THE GREAT COMMUNITY

*The future is not a result of choices
among alterative paths offered by the
present, but a place that is created -
created first in mind and will,
created next in activity.*

*The future is not some place
we are going to, but one we are creating.*

*The paths to it are not found but made,
and the activity of making them changes
both the maker and the destination.*

- John Schaar
