

Log into MyView at myview.ums.edu

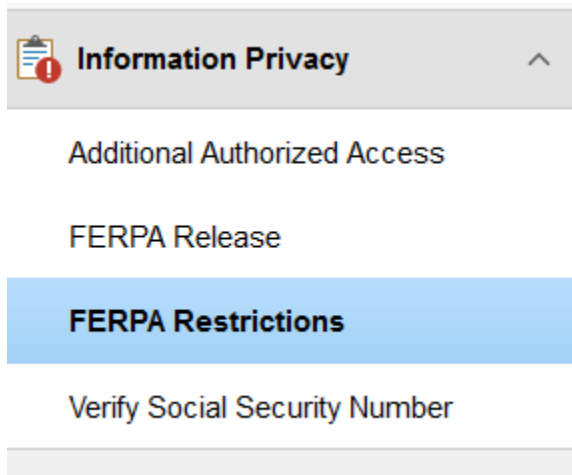

From the Student Center, select the Personal Information tile

Select the Information Privacy option from the left hand menu

Next, select the FERPA Restrictions link

To RESTRICT the release of your information, click the checkbox (as shown below) next to FERPA-Restrict Release of Personal Information.

Please note, this will limit any information we can discuss with you the student over the phone or via email.

At any time if you wish to release this, simple revisit this back and uncheck the box.

FERPA Restrictions

List FERPA/Directory Restrictions

You have exercised your rights to privacy. No data will be released without your expressed written authorization. For any information, contact the registrar's office. To release this restriction, uncheck the FERPA checkbox. *Note: Changes in FERPA restriction may take up to 24 hours.**
