

# *Chancellor's Award for Excellence in Research and Creativity*

**Nominations Due 20 April 2009**

The purpose of this annual award is to honor a full-time, regular faculty member who has demonstrated superior achievement in a program of research and creativity. The award will be presented at the Chancellor's State of the University Address in Fall 2009.

Nominations may be submitted by any UM-St. Louis faculty member or group of faculty. Faculty members who have received a Presidential Award for Research and Creativity, a previous Chancellor's Award for Excellence in Research and Creativity, or who hold a Curators' Professorship will not be eligible for this award. Previous recipients of these awards and Curators' Professors are listed below.

Nominations packets should include a one- to two-page cover letter summarizing the nominee's research and/or creative accomplishments, a curriculum vita, and up to 15 reference letters. Your cover letter should also include a synopsis of the referees' credentials.

Twelve copies of the documents must be received in the Office of Research Administration, 341 Woods Hall, by 5:00 p.m. Monday, 20 April 2009.
