Lectures are held in the Century rooms of the MSC. We typically set the room for 500. On average we get anywhere from 450-550. We have had several lectures exceed those numbers. They were Dr. Cornell West, Dr. Ruth and Morris Dees, The Great Porn Debate and Nikki Giovanni. In fact, the attendance at the Dr West attendance was over 800 and we had to set up additional viewing areas.

Our Leadership Training and Development Retreat has grown from 40 students in 1999 to over 120 now which is maximum capacity. This retreat is co-sponsored by Student Life and SGA and is required of all organizations. We now have over 200 recognized organizations.

This year the Student Life Awards Banquet had 250 students, faculty, staff and family members in attendance. This is an increase over the prior year which had averaged 100-150 attendees.

Additionally, approximately 85 organizations annually request funding from Student Activities Fees. These organizations requested approximately 1 million dollars in fees.
