## Fact Book

Welcome to the University of Missouri-St. Louis Fact Book. The Fact Book contains tables and graphs comparing a wide variety of statistical data over time. Most tables display a ten year period.

You will need Adobe Acrobat Reader 4.0 or higher to view these files. If you do not have Acrobat, you can [download a free copy](#) from Adobe Systems, Inc. You can also view some of these files in Microsoft Excel or Microsoft Powerpoint. When Microsoft Excel is opened, additional years can be displayed by un hiding the hidden columns.
