For 2007-2008, 3463 of our undergraduate FAFSA filers indicated that their Father's/mother's highest school level was either middle school/jr high or high school. Our undergraduate enrollment for the Fall 2007 was 9173 (from Registrar's report).
 $3463/9173=37.7\%$

For 2006-2007, 3395 of our undergraduate FAFSA files indicated that their Father's/mother's highest school level was either middle school/jr high or high school. Our undergraduate enrollment for the Fall 2006 was 9093 (from Registrar's report).
 $3395/9093=37.3\%$

For 2005-2006, 3378 of our undergraduate FAFSA files indicated that their Father's/mother's highest school level was either middle school/jr high or high school. Our undergraduate enrollment for the Fall 2005 was 9342 (from Registrar's report).
 $3378/9342=36.2\%$
