Revised Timeline for Promotion of Non-Tenure Track Faculty
2020-21

Non-Tenure Track faculty members are eligible to apply for promotion in the spring of their 5th year in rank. Those who are interested in applying are urged to begin the process as soon as possible by finding and discussing promotion with a mentor. Major events related to promotion review procedures are included in this timeline below. Because the Response Option available to all candidates affects the due dates, unit heads are advised to consult promotion guidelines for additional details about procedures and, if necessary, stipulate an individualized schedule that allows adequate time for Candidates’ Response Options, should the stated timeline prove inappropriate. At any time, those responsible for meeting the timeline may submit materials before the given date.

Candidates are encouraged to attend NTT promotion workshops offered by the Center for Teaching and Learning.
