A Single Shard	book	2001	"Tree-ear, a thirteen-year-old orphan in medieval Korea, lives under a bridge in a potter's village, and longs to learn how to throw the delicate celadon	ask	69

			ceramics himself."-- Amazon editorial reviews		
Aggression/Escalation/Negotiation; (The Korean War Series)	video, 15 each	1988	These three videos may be used collectively for one class session, for 45 minutes, or separately in three sessions. Aggression-chronicles the outbreak of the Korean War in June 1950, the defeat of the forces of the South Korean and US armies, the struggle to hold the Pusan pocket area, MacArthur's counter-attack with the legendary Inchon landing, the recovery of Seoul and the expansion of the war beyond the original mission of the United Nations. Escalation-chronicles the advance of the UN forces northward, approaching the Chinese border, in spite	ask	34

			of the warning from China, the disastrous retreat of the US forces to the South, and the stalemate along the old dividing line of 38th parallel. Negotiation-chronicles the policy disputes within the US government, the returning to the original goal of restoring South Korea and abandoning the ambitious design of unifying the entire Korean peninsula by UN military forces, the peace negotiations, the truce signing the repatriation of war prisoners.		
An Initiation Kut For A Korean Shaman -- The Life and Hard Times of a Korean Sharman: Of Tales and The Telling of Tales	video, 37 min each	1991	A fascinating documentary in which anthropologist Laurel Kendall films an actual initiation ceremony (kut) for Chini, a 32 year old Korean woman who is	ask	32

			<p>becoming a shaman. A valuable resource for the study of anthropology, religion or Korea. Subtitles in English.</p>		
<p>An Introduction to Korea (1950-1990)</p>	<p>video, 30 min</p>	<p>1989</p>	<p>This tape is most valuable for an introductory course at either the high school or college level. This program is extremely useful for its broad coverage, ranging from the political and social life in North Korea to the economic miracle in the South, as well as the struggles for democracy and for national unification on the part of Korean student. This tape is of optimum length for a regular class session-allowing sufficient time for discussion.</p>	<p>ask</p>	<p>38</p>

<p>approaches to teaching about korea: a guide for teachers</p>	<p>teacher resource guide</p>	<p>1989</p>	<p>The approaches suggested in this publication are proposed for teachers who, although unable to devote an entire unit to the study of Korea, wish to include Korea in a unit of East Asia. Maps and a chronological outline of Korean history are also included.</p>	<p>ask</p>	<p>53</p>
<p>At The Helm of Korean Business</p>	<p>video, 28 min</p>		<p>Focus on two Korean multinationals, Hyundai and Samsung, the film traces the origin of each company, their history and present operations by following the life history of the two companies' founders. This tape may be used as an immediate follow-up to the videos, "The Challenge from Asia" and "An Introduction To Korea, 1950-90"</p>	<p>ask</p>	<p>35</p>
