University of Missouri – St Louis (UMSL)

For more than 20 years, the Office of International Studies and Programs (OISP) has been designing and running short-term, non-credit certificate training programs.

Previous programs: Teacher training, curriculum design, language and culture workshops, business plan development, academic support, test preparation, and in every discipline in which UMSL offer degree seeking programs.

We have delivered highly successful programs for groups from countries around the world: China, Japan, Korea, Mexico, Russia, Finland, France, Indonesia, Thailand, and more.

Points of Excellence

• An urban university located in metropolitan St. Louis, with a population of 2.6 million people

• The largest (by headcount) university in the St. Louis area and the third largest university in Missouri.

• Ranked 5th among the nation’s research universities with fewer than 15 doctoral programs by Academic Analytic’s Faculty Scholarly Productivity Index – immediately behind Boston College and Georgetown University

• The International Business program is ranked 12th in the U.S. and has been ranked in the top 20 for the past six years

• UMSL business programs are listed in the Princeton Review guidebook “Best 301 Business Schools”

• The Criminology and Criminal Justice Program ranked 2nd nationally by the Journal of Criminal Justice for scholarly research and 4th nationally by the U.S. News & World Report.

• The Whitney Harris World Ecology Center is the nation’s largest and most diverse program in biology conservation. Academic and research partners include the Missouri Botanical Garden and St. Louis Zoo.

• Ranks first statewide in the number of certificates issued annually to teaching professionals.

• The first-time pass rate of UMSL nursing graduates on state licensing exam was 95% – the eighth consecutive year scores exceeded 90%. Pass-rate averages for the state and nation were 87.5% and 87%, respectively.
