Global Insights: People & Cultures	Textbook	1987	Provides knowledge and understanding by having the people of eight different geographical regions speak for themselves about the elements that have shaped their lives and made them the way they are today. The text is divided into eight units - Africa, China, Japan, India, Latin America, The Middle East, the Soviet Union and Western Europe. Each unit opens with a descriptive photograph, a brief rationale and a unit table of contents. Each unit concludes with a two-page unit review that includes a brief	cc	26

			summary of the unit content, review questions, suggestions for individual and group activities, and a one-page feature called "Comparing Cultures" that compares an element of the unit culture with a like element of the American culture of the United States.
