***In case of emergency, always call University Police first!**

- **From a campus extension: 911 or 314-516-5155**
- **From a cell phone or off-campus phone: 314- 516-5155**
- 911 calls from a cell phone will first be connected to St. Louis County Police, so it's important to have 314-516-5155 programmed into your cell phone for campus emergencies.
- UMSL University Police are available 24 hours a day, 7 days a week. They are able to access the on call Counseling Psychologist from Health, Wellness & Counseling Services 24/7.
