Abstract of Proposal

Faculty Micro-Grant Proposal

Name of Principal Investigator:

Project or Course Title:

Guide for the Written Proposal

Please describe your proposed project, addressing the following issues:

- 1. Identification of the issue on your campus that this proposal seeks to address.**
- 2. The goals/outcomes intended by this proposed project.**
- 3. The proposed project by which you will address these goals.**
- 4. Resources and costs needed to obtain these goals. Which resources does your institution already have in place, and which are you requesting this grant to fund?**
- 5. How will you evaluate your project?**
- 7. How do you plan to disseminate the outcomes of this project?**

	GRAND TOTAL <u> </u>

Commitment to File a Final Report

Final Report to be completed and mailed in electronic format (as a MSWord Document)

no later than **June 1, 2010**, to:

Melissa K. Mace, Executive Director

Missouri Campus Compact

Missouri State University

901 S. National

Springfield, MO 65897

melissamace@missouristate.edu

The 1-2 Page Final Report Must Include:

A final report is required of all successful applicants. The final report must include the following:

1. An abstract of the project, indicating how many members of your campus community (i.e., community partners, faculty, staff, students) were affected.
2. An evaluation of what was successful regarding the project.
3. An evaluation of what was not successful regarding the project.
4. Recommendations for future steps to take to further service-learning or civic engagement on your campus.
5. A detailed budget report including copies of all receipts. **DO NOT ROUND NUMBERS.**

901 S. National Ave.
Springfield, MO 65897

We the undersigned support the application of _____ [insert the name of the service-learning director/principal investigator] for a grant award to support service-learning on this campus. The project for which the funds are being requested will be spent in the academic year 2009-2010. The forenamed faculty member/principal investigator is in good standing with this institution, and has the approval of his or her all necessary supervisors. We the undersigned recognized that the faculty member/principal investigator has committed to turning in a final report per the instructions accompanying this form.
