### 2021-2022 HPSL Application (F22HPL)

The Health Profession Student Loan program (HPSL) is administered by the Department of Health and Human Services. All students who apply for this loan must have completed the Free Application for Federal Student Aid (FAFSA). The amount awarded will be determined by the number of applications and fund availability. The interest rate on the HPSL is 5%. The borrower will not be responsible for any interest until the start of the repayment period. A one year (12 month) grace period follows completion or termination of full time status. Additional options are available including deferment, forbearance, renegotiation, and consolidation. More detailed information on these options will be provided when you complete your entrance interview at the time you sign your promissory note, and an exit interview will be required prior to graduation. These steps will be completed through our loan servicer Heartland ECSI at [www.heartlandecsi.com](http://www.heartlandecsi.com).
