QUESTION 1 FOR JACKSON COUNTY RESIDENTS (MODIFIED FOR KIDS VOTING VOTERS)

Shall a retail sales tax of one-fourth (1/4) of one cent be levied and collected in Kansas and Missouri metropolitan Culture District ("Bistate Metropolitan District") consisting of Johnson County, Kansas and Jackson County, Missouri, and such other counties which are or may become part of the Bistate Metropolitan District and which authorize this tax to be levied (each a "Participating County"), including the counties of Clay and Platte in Missouri and Wyandotte in Kansas? This proposed tax shall not be effective until approved by a majority of the qualified electors in Johnson County, Kansas, in Jackson County, Missouri, and in Clay County, Missouri, and shall thereafter expire as specified in this ballot question. The revenues collected annually from this tax shall be allocated, administered, and disbursed by the Bistate Commission in the manner and for the purposes described below, which purposes may include the payment of principal of, interest on and financing costs with respect to bonds issued or indebtedness incurred by other public entities in support of the sports facilities projects specified below.

Arts and Culture Share. One-half of all revenues collected annually from this proposed Bistate Metropolitan District tax shall be dedicated to metropolitan and local arts and cultural organizations, facilities and activities (exclusive of sports), including those that contribute to or enhance public appreciation of and access to arts and cultural amenities and activities, and shall be further allocated as follows:

Sports Facilities Share. One-half of all revenues collected annually from this proposed Bistate Metropolitan District tax shall be dedicated to sports facilities, and further allocated as follows:

Commencement and Expiration of Tax. Collection of this proposed retail sales tax of one-fourth (1/4) of one cent shall commence on the first day of the second calendar quarter following voter approval as required herein. This tax shall terminate at the end of the calendar quarter as determined by the Bistate Commission during which the total amount of revenue collected pursuant to this tax is adequate to provide for the earliest repayment of principal of and interest on bonds issued in an initial principal amount sufficient to provide project funding in an amount not to exceed \$360,000,000, and related financing costs, for the sports facilities described above.

YES NO
