

Counseling Psychology

University of Missouri-St. Louis • <http://www.ums.edu/library>
 Reference Department • 314.516.5060
 Email: e-ref@ums.edu • Thomas Jefferson Library

This guide, prepared by the Ward E. Barnes and Thomas Jefferson Libraries' Reference Departments, is meant to be a starting point for research in the field of Counseling Psychology and is not comprehensive.

Databases and Indexes

The following databases are organized by importance to the field of Counseling Psychology. All of them are available on campus and via remote access (an *UMSL SSO ID* and *password* are required for login.) See the UMSL Libraries' homepage at <http://www.ums.edu/library/> for a complete list of databases.

PsycINFO, 1806 - (APA) American Psychological Association, this database is the outstanding source for current literature on all aspects of psychology, psychiatry, and counseling.

PsycARTICLES - A subset of the **PsycINFO** database, **PsycARTICLES** provides access to 70+ full-text psychology journals in the disciplines of Human Physiology, Personality Psychology, Social Psychology, and Educational Psychology. For a more comprehensive search, please use **PsycINFO**.

ERIC, 1966 - Established by the U.S. Department of Education, ERIC is a leading source for practice and research literature in education, including most aspects of counseling.

Education Full Text, 1983 - Indexes education journal articles including some counseling.

Mental Measurement Yearbook - Test reviews for standardized tests in the areas of education, psychology, counseling, etc.

Tests in Print - Indexes all known commercially available tests currently printed in the English language.

Academic Search Premier - A general tool covering much of the social science literature.

Medline - journal articles in medicine and psychiatry

Sociological Abstracts 1963 - sociology journal articles

Internet Resources

The following are useful Internet sites for Counseling Psychology. Caution is advised when using an Internet resource -- the authority of information presented as well as its reliability is a major concern.

American Psychological Association, (APA) - <http://www.apa.org>

Division 17- The Counseling Psychology Division of APA -- <http://www.div17.org/>

American Counseling Association, (ACA) - <http://www.counseling.org>

Classics in the History of Psychology - <http://psychclassics.yorku.ca/>

This site contains full text papers, book chapters and speeches on the history of psychology.
