Curators O.K. Engineering Plan

by Kevin Klein

editor

After more than a year of planning, the University of Missouri Board of Curators voted to approve a plan for an engineering program, which was circulated to the board last week. The board voted 22 to 0 to close the Joesch School of Engineering and to establish a new engineering program at the University of Missouri School of Engineering's campus in Columbia. The new plan will consist of four campuses and two additional programs, which will be located in St. Louis and St. Charles.

The board believes that the new plan will provide a better educational experience for students and will benefit the community.

West's Side Stories

by Julia West

The weather has been, shall we say, abysmal all winter. Downpours galore and other wetness that washed the skies have been pretty clear. And now that it is February, you start to get spring fever. You know—time of year when young ma­

ne's fancies turn to thoughts of baseball and fishing.

My wife can spend hours—it is impor­

tant to realize that she is not an ins­

sation—hours at a time. She sees something she likes, why do they have in this color, or why do they have so many sizes? I say, "Look at this one." She says, "I'm not sure why you brought me this color; I think I'm onto something Freudian: I have reached the conclusion that in some way, you must have any color for clothing? I don't look best in any color."

My wife said, "Well, I've got it!" and强力人 and on the bow with. She came up with that taken to fighting illegal drugs, the '80s War on Drugs; the law only can't work because it re­

quires campus and the University Center on the north campus. The Fall '89 in­

itiation for the program's newest members to the chapter was: Shari K. Aguilar, M. Stiffler and Sheri Wuensch. The present semester will see the newest members to the University, assisted by George

Newsbriefs

The University of Missouri-St. Louis' Financial Aid Office will be offering financial aid workshops for interested students and area residents. These workshops will highlight the various types of financial aid for which students may apply for the academic year 1989-'90. Each workshop will also give step by step instructions in completing the 1040 American College Testing (ACT) Family Financial Statement (FFS).

Office requests those individuals attending the sessions bring the parents and student's completed 1989 Federal Tax Forms, any outstanding income statements—AFDC, Social Security benefits or Veterans benefits— and No. 2 soft lead pencil.

All sessions of the financial aid workshops will be held in J.C. Pen­

ney and the University Center on the west campus.

All day sessions will be held from 1 to 4:30 p.m. in Room 1 of the J.C. Pengey Building. The sessions will be held every Monday from Feb. 5 to Feb. 29.

All the evening sessions will be held from 7 p.m. to 9 p.m. in Room 106 in the University Center every Thursday from Feb. 4 to Feb. 27.

If you have any questions, please contact Mark Nugent, Director of Financial Aid, Room 209, Woods Hall, 553-5329.

STUDENT AFFAIRS AWARD

Student Affairs Award nominations are being accepted in the Office of Student Activities through 5:00 p.m. Monday, February 12, 1990. Members of the OM-St. Louis community are invited to submit the names of students whose efforts in the areas of student services and activities deserve recognition.

Established in 1980, the Student Affairs Award recognizes those students whose contributions to the OM-St. Louis community have had a significant impact on the quality of life on this campus. Since its inception, nearly 300 students have received the Student Affairs Award, presented at the Student Affairs Awards banquet held in their honor.

All OM-St. Louis students, faculty, staff, and students (full-time/part-time, day/ evening, graduate/undergraduate/professional) are eligible for nomination. Students may nominate themselves or another student. Every nominee is asked to complete and submit an application which solicits information about the contributions he or she has made to the quality of life on campus. A committee of Student Affairs staff reviews submitted applications and selects award recipients.

Persons wishing to nominate a student for this honor may call or stop by the Office of Student Activities, 150 University Center, (ext. 555-5536) for a nomination form.

Robert Gould Shaw, who led the 54th Massachusetts Volunteer Infantry Regiment during the American Civil War, is remembered for his leadership and bravery. He was the first African American to command a Union regiment and fought in several key battles, including the Battle of Fort Wagner.

Shaw was born in Boston, Massachusetts, in 1841. He was the son of a free Black man and a white woman, and he grew up in a mixed-race community. He attended Fisk University and later Harvard Law School, where he became the first African American to graduate from the school.

In 1863, Shaw volunteered for the Union Army to fight against the Confederacy. He was appointed a major and commanded the 54th Massachusetts Volunteer Infantry Regiment, the firstall-African American regiment to serve in the Union Army.

The 54th Massachusetts Volunteer Infantry Regiment was sent to fight at Fort Wagner, a key Confederate fort on Morris Island, in July 1863. The regiment was commanded by Shaw, who was killed during the battle.

Shaw's leadership and bravery during the Civil War have been remembered ever since. He is remembered as a hero and a symbol of the struggle for civil rights.

Today, the 54th Massachusetts Volunteer Infantry Regiment is remembered in a museum located in Boston, Massachusetts. The museum tells the story of the regiment and its role in the Civil War.

The museum features exhibits and artifacts related to the 54th Massachusetts Volunteer Infantry Regiment, including a display of their uniforms and equipment. The museum also features a film about the regiment and its role in the Civil War.

Visitors can learn about the history of the 54th Massachusetts Volunteer Infantry Regiment and the role it played in the Civil War. The museum also features exhibits about the Civil War in general, including the experiences of soldiers and civilians.

The museum is open to the public and is located in the Boston area. It is a great place to learn about the history of the Civil War and the 54th Massachusetts Volunteer Infantry Regiment.

Roo's Roost by Mike Van Roo contributor to the weekly

Well it's time for us to go up the soap box again, UAM fans. Where the Hell is the Southeast Missouri State University Basketball Team that was supposed to be at the University of Arkansas for a basketball game last night?...Oh, right. I forgot...it was the Missouri State basketball team that was supposed to be in town last night...I realize that this is a competitive sport, and you win or lose...but I was at a basketball game last night...I was the only one in attendance, and I'm sure that I was the only one who noticed) when

January 31 turned out to be a not-so-good day for the UM-St. Louis Bears, as the Bears lost to the Southeast Missouri Bears in a 72-64 loss.

The Bears were leading the game at the half by six points, but in the second half, the Bears were outscored by the Bears, giving the Bears a 12-point lead.

The Bears will try to bounce back this weekend, as they travel to Missouri State on Saturday and to Southern Illinois on Sunday.

Riding The Rapids From Chile To Mississippi

by Leo Conrad reporter

A few weeks ago, the University of Missouri-Columbia (UMC) had an opportunity to see a new type of water sport called Aquarobics. Aquarobics is a new form of exercise that uses the resistance of the water to help people stay fit.

At the University of Missouri-Columbia, the Aquarobics class is taught by a certified Aquarobics instructor who has trained extensively in the sport.

The class meets twice a week, on Tuesday and Thursday, at 6:30 pm.
