How to Respond to an email about SGA

Dear [Name],

I read the recent email about SGA and wanted to share my thoughts.

Firstly, I agree that [issue/idea/point]. It is crucial that [reason/justification].

However, I have some concerns about [opposing perspective/counterpoint]. Specifically, [argument/point of view].

Let's continue the dialogue and work towards [desired outcome/goal].

Best regards,

[Your Name]
Odds & Ends

Brian Johnson

San Diego, Calif.

Most Catholics know that the mark of the beast, and that it presents an opportunity to indulge in the sin of pride.

The Catholic Church designed the Gregorian calendar, which has fluctuating dates for all holidays except Christmas. Merry Christmas, Mr. President, for 47 days before Easter, to account for the 40 days of Lent, the Lord's Passion.

The history of Mary, the mother of Jesus, is extensive and far-reaching. Mary was named the queen of heaven and earth, and a symbol of purity and grace. The Feast of the Assumption of Mary is celebrated on August 15, and is a major feast day in the Catholic Church.

The Church has long been a powerful political force in the world, and has influenced the development of many cultures. The Catholic Church has also played a significant role in the history of art, music, and literature.

The Church also has a rich tradition of social justice and charity work, and has been involved in many humanitarian efforts around the world. The Catholic Church has a long history of providing assistance to those in need, and has been a leader in the fight against poverty, hunger, and disease.

The Church's influence can be seen in many aspects of society, including education, politics, and the arts. The Catholic Church has been a source of inspiration and guidance for many people, and has played a significant role in shaping the course of history.

The Church also has a rich tradition of social justice and charity work, and has been involved in many humanitarian efforts around the world. The Catholic Church has a long history of providing assistance to those in need, and has been a leader in the fight against poverty, hunger, and disease.

**Senseless is classic stupid comedy**

**Sensations**

Rating: PG-13

Now Playing

(out of 4)

I have admired I love comedies; not just funny ha ha comedies, but stupid comedies that have a lot of physical acing. Smoovie fits this bill almost perfectly.

It has a basic plot we have seen hundreds of times before. It goes like this poor man works hard to go something which is given away to more fortunate people.

He is obviously the better of the two but the poor man is under privileged and at a huge disadvantage. The poor man of T로부터 (David Spade).

Witherspoon is desperate for money. He will take any and all odd jobs to make money to pay his tuition at Stateford U, and to help his family out. He feels it necessary to help his brother and his siblings out when he can. The college is a sponsor to a job fair to the prestigious Smythe-Bates Company. It is an economic analyst firm that pays greatly. It definitely would help our Witherspoon and his family.

However, he is in a disadvantage because he is working so much he can not do all of the extracurricular activities that the Smythe—flats people want.

Thompson is the son of a banker and also does such as Spade.

Wayans is the son of a banker and also does.

**Reviews**

---

**Senseless**

Marlon Wayans stars in his newest comedy Senseless.

Wayans and Spade complement each other perfectly. Senseless is funny, witty and has tons of toilet humor. It definitely is a movie to add to the classic collection of stupid comedy.

Wayans adds his name to the list of all of his brothers and also some of the greater names such as Spade. Senseless is extremely, and I mean extremely funny and deserves a watch.

**Palmetto**

Rating: R

Running Time: 1:52

Now Playing

Pick your bags, we’re going to see Palmetto, Fla. I’ll begin by saying that if I had to describe the plot in one word it would be “grepic.” However, there are enough twists and surprises to keep it amusing all the way through.

The film stars Woody Harrelson as Harry Barber (an oxymoron?), a journalist just released from prison after two years. (Testimonies from another trial ended up proving him innocent, so you can imagine the hitmen after two years.)

Harry is coerced into participating in your basic “kidnapping of a rich old man’s daughter for ransom scheme”. The twist: the daughter is question and the rich old man “ Walk” are exhominating the whole thing. Apparently they are not happy with the “Kidnappers” gone to town and want a lump sum to play with.

Now one would usually expect that everything that could go wrong does. No sir, in fact everything goes too well, and this is when things begin to twist and turn.

Just when you think you’ve got it all figured out, something else comes out of nowhere to completely confound you. All in all, it’s a pretty good entertaining movie, and I must add that Woody delivers probably the best one-liner I’ve heard in a long time. (Gays will fall out of their seats, ladies will cringe!)

Elizabeth Swine does a fine performance as the wife, running up the screen with Woody, (well not ex, don’t expect too much), while Greg Cudon also makes a good showing as Woody’s fabulous girlfriend, who eventually ends up in it. Then again so does everybody else.

Michael Support (should be on the screen side list), grawns a strong interwinding performance as well.

So who doesn’t. Well . . . everyone is guilty of something aren’t they? In general, would recommend using this film. It is incredibly simple, yet masterfully remaining the whole way through. It’s a pretty enjoyable experiment, although don’t expect it to do as well as that other movie about that big boat that sink.

COME BY OUR TABLE AND SEE US!
The crowd went crazy with excitement to announce that he was the organization for abused kids, the Closing ceremony for the dugout to acknowledge the players. It was quite an event. With all of the many records, the stadium was a spectacle to behold. A sold out crowd with people say I have a bad memory, I hardly ever remember the first time I use in my life, but I do recall certain events that will stick in my mind.

One of the most memorable times of my life was seeing the first baseman Mark McGwire sign up in a cardboard uniform. When they stepped up to announce that he was the sports associate for the GLVC, the moment was so overwhelming by the fans that he felt the need to take home the line of the day. The Screaming Eagles also enjoyed a decisive first half advantage going 39-10 in favor of the Purple Eagles of St. Louis.

**in the second group of students traveling to Africa. She expressed her excitement that this is the first time she will travel to Africa.**

"I have always wanted to travel to Africa. The Missouri Africa Program and UM-St. Louis made it economically possible for me to do so," Davis said.

The exchange program has proven to be an invaluable educational resource for UM-St. Louis and is widely supported by the impor­
tance of travel in education.

"Travel is one of the most important ways for students to understand the world," Davis said.

"By going to Africa, students can gain a better understanding of the cultural aspects of the world. They can learn more about the diversity of cultures and the unique perspectives of different cultures."}

**OLYMPICs**

**from page 7**

Team USA was left and felt they had accomplished their goals in the United States.

Their competitive spirit and determination were reflected in their performance in the Olympic Games.

"We are proud of the athletes and their accomplishments," Davis said. "They have shown their determination in the face of adversity and their resilience in the face of challenges.

Their success in the Olympic Games is a testament to the dedication and hard work of all those involved, including athletes, coaches, and support staff."}

**SUIT**

**from page 8**

"I was surprised by how the students responded to the surprise visit. They were very grateful and described their experience as a positive one."

"I hope that this experience will encourage them to pursue their interests and continue to excel in their academic and personal lives."
