Future Rivermen: Their 2001 UMSL Odyssey Begins

There is no better time to promote a campus to future students than during an event as exciting and spirited as Homecoming. Alumni and current students are our best ambassadors to encourage interested students to seriously consider making UMSL their choice as they continue their education “odyssey.” The Office of Admissions has invited all prospective students to attend the Homecoming activities as their guests on Saturday, Feb. 17. Give them that warm UMSL welcome as you see them on campus. It will make a difference!
Welcome to UMSL Homecoming 2001

The annual Homecoming Bonfire has become a favorite among students, faculty and staff. This year’s promises to deliver on fun, food, and great music provided by the University Pep Band. Meet our men’s & women’s basketball teams and coaches as we rally toward winning the upcoming games during the week. The winner of the BIG MAN ON CAMPUS competition will be announced during the festivities.

Bonfire begins at 6:00 pm on the gravel parking lot south of the Millennium Student Center. Males & females, as well as alumni, are invited to join the fun.

Several students stand with their banners to the heat of last year’s Homecoming Bonfire where there was free food and music.

BMOC results to be announced at bonfire

The Big Man on Campus competition is sponsored by UMSL-St. Louis Panhellenic Council. Male UMSL students are sponsored by a student organization or group of students to compete in the events. These events include Penny Wars, Banner Wars, and a pageant. The Penny Wars will be held in the Nosh the week before Homecoming and the banners will be displayed around the Millennium Center for all students and faculty to enjoy.

The pageant will be held on Monday, Feb. 12 from 1:00 p.m. to 3:30 p.m. in the Century A and B rooms. All students are invited to come and watch the men compete for the Big Man title. There is an admission fee of $5.00, but students wearing organization shirts will only have to pay $1 for admission.
