INSIDE

Gas scare sends people rushing to fuel pumps

by Nick Bowman

Local gas stations were swarmed with people trying to beat the anticipated rise in gas prices following Tuesday's terri­
tory attack on the United States.

"We were told panic that the Arab nations would sanction oil would follow the event, and gas prices would skyrocket 10 to 20 cents a gallon," said Jerry Uyde, an employee at QuikTrip and current UM-St. Louis student. "I was seeing the world as I was going to end, all over a tank of gas, it was just insane."

Queue estimators estimate about 300-400 customers come to his station, located on the corner of Natural Bridge Road and Interstate 94.

"Our tanks almost went empty before we received a fresh ship­
ment of gas around 9:00 a.m. I think in about an hour, the pumps were empty. We ran out of gas before the first customers lined up to get fuel."

Natural Bridge Road closed the traffic. About 4:00 p.m., Natural Bridge Road, North of the City, the QuikTrip was turned into a mini-stop, as people frantically hunted and hopped up. The Mobil station became across the Red Bridge police station was shut down.

One person did not rage as quickly. According to a federal law, gas prices cannot be raised by more than 10 cents per gallon. The police, however, did not feel the need to be decided by the county, without prior registration and reason.

Editors Note: prices actually dropped $2 cents at 81 station and $1 at Mobil at the QuikTrip.

Announcement of nomination to Who's Who among students in Universities & Colleges

American Universities & Colleges an annual honor's program recognizing our nation's leading college students

Nominations are currently being accepted for students who will be included in the 2001-2002 Who's Who Among Students in American Universities in a College Directory. If you are a student with a record of outstanding academic and extracurricular achievement, you may qualify to be honored by this prestigious national collegiate tradition.

To be considered, nominees must meet the following criteria:

• Be a senior or graduate student
• Have an average academic standing
• Have made contributions in academic and extracurricular activities
• Be involved in non-curricular leadership, citizenship and service to the school and the community
• Show potential for future achievement

Students may nominate themselves or others by:
1. Picking up a nomination form at a dean's office or 365 Millennium Student Center
2. Completing the form
3. Returning the form by Friday, October 5, 2001 to the dean's office of the school or college in which you are enrolled.

Nominations submitted after this date will not be accepted.

If you have any questions, please contact the Office of Student Activities at 516-5291.
Memorial service offers outlet for grief and hope

BY DEWLL ROBINSON AND EMILIE ENRIGHT
staff writers

In the wake of the recent terrorist attacks on the World Trade Center in New York City, and the Pentagon in Washington, D.C., offers were made last Tuesday to suite and find strength for those affected by the shock at UM-St. Louis. Member of the Newman Center campus ministry, with the help of the Student Activities office, held a prayer service later that evening at the Provincial House chapel on South campus.

"After I found out, I ran into Father Bill (Kempf) and asked him if he wanted to set something up," said Levie Lock, co-president of the service later that evening at the Student Activities office, held a prayer service later that evening at the Provincial House chapel on South campus.

I was really impressed with how everyone came together for this. Safety to members provide a basic stability," Lock said.

Levi said the service took three hours of planning, which involved making flyers and working with Student Activities to send-out mass e-mails.

"We really impressed with how everyone came together for this. Safety to members provide a basic stability," Lock said.

Around seventy people gathered Tuesday night at the Provincial House chapel on South campus to express sympathy and mourning for victims of the New York and Washington disasters.

The 12th annual career fair gives UM-St. Louis students as opportunity to network with potential employers.

The fair offers a variety of presentations, where people conducting the interviews will be directors of human resources. These are the same people who recommended the hiring of new employees or new companies.

Some companies that will be attending the fair include: A.G. Edwards & Sons; ABC/Disney; Boeing; Ernst & Young; Federal Bureau of Investigation; and, Wells Fargo Financial.

"The first step in this process is to show up, no matter what level of student you are," Career Fair founder and director of Career Services at UM-St. Louis, Donald Keefe, had some pointers for the students attending.

For a career fair, this process is to show up, no matter what level of student you are. It's never too early but it can be too late," said Keefe. "You should dress professionally, the most presentable you look the more the interviewer will take you seriously.

Because there are a wide variety of fields being represented, students should have an open mind about other careers they may find interesting. Students should also be prepared with many copies of their resumes and a one or two minute evaluation of what the student hopes to accomplish in his or her specific career.

Keefe also said that this is the best time for students to start networking process, mainly because the UM career campuses will be taking place on Oct. 8.

For undergraduates, applying now is very important, because applications are being accepted now for the internship fair.

For a chance to meet with some of the best companies and organizations, visit Career Days being held Sept. 18 and 19 in the 100th Room of the Millennium Student Center. More information on the fair or a complete list of the companies interested, go to the Career Services office, or log onto www.umsl.edu/degens/career.

The Clayton Art Fair offered a variety of activities to entertain children of any age.

"It is with narrow-minded people as with narrow-eyed nettles; the less they have in them the more noise they make in pouring it out."

"My wish is to see this plague of mankind, war, banished from the earth."

"It is only necessary to make war with things that are the maladies of the body, with the ignorances of the mind, with the passions of the body, with the seditions of the city, with the dis- cords of families."

The Clayton Art Fair offered a variety of activities to entertain children of any age.

"Art Fair brings best to St. Louis"

BY STANFORD GRIFFITH
staff writer

Incorporating visual, performing, and culinary arts, the fair is an annual event that brought together artists from across the nation last weekend.

Over 100 craftsmen were ranging from ceramic to glass to woodworking attending the fair. The style of the competitions varied from visual to graphics to graphics.

Although much of the artwork was very intriguing and well-fed, there were few purchasing any.

The majority of the art was sold and few were sold.

Around 24 institutions attended to bring visual to make their names known.

"My wish is to see this plague of mankind, war, banished from the earth."

"It is only necessary to make war with things that are the maladies of the body, with the ignorances of the mind, with the passions of the body, with the seditions of the city, with the dis- cords of families."

Netters drop five of last six games

By Dave Kinworthy

The Riverwomen's volleyball team had its aka of luck, dropping five of the last six matches, dropping their overall mark down to 3-7 for the season.

The Riverwomen played in the Pilgrim Tournament in Ohio, but lost three of four matches there.

In the opener, the Riverwomen fell to Wayne State 28-30, 27-30, 25-30 and 16-30. In the contest, the Riverwomen recorded 106 defensive digs, a high for the season. UM-St. Louis won it by Kelly-Joyce Mills who recorded 15, while Marissa Mendonca, Karina Freitas, Lisa Hall, Bailey Zrout and Ashley Braukman also recorded digs in the double-digits. Mendonca and Zrout also led the offensive attack, recording 13 kills each and 13 assists respectively.

The second match featured the Riverwomen defeating Adrian-Brookview in four games 30-27, 30-26, 30-24 and 30-23. As a team, the Riverwomen recorded 150 digs, which marked a season high 28 digs in the second game. Nikki Puglisi led the team on the defensive end, recording 13 defensive digs, while also recording 11 kills on the offensive side. The third match featured a loss at the hands of Hillsdale 28-26, 25-30, 20-30 and 20-30. In the contest, the Riverwomen committed 31 errors on the offensive side, while Hillsdale committed 21 errors, outscoring 63-55 on the offensive side. The fourth and final match of the contest, the Riverwomen defeated Wayne 30-22, 30-22, 30-28, 30-28, 30-28. In that game, SUO-Rivervomen only committed seven errors as they recorded 63 digs in the game. The second game was без регламент регулятор. The Riverwomen led 18-13, while Maureen Josephs also led the offensive attack, recording 17 kills, which was a high on the season.

The fourth and final match of the season was played against Kentuck Wesleyan, and ended 11-15. Five players for Kentuck Wesleyan scored in double figures. The Riverwomen were led by Kelby Johnson with 10 kills.

The Riverwomen's offensive生产 was 53-24, 18 in the Riverwomen's win.

The Riverwomen's defensive production was 20-17, 17 in the Riverwomen's win.

The Riverwomen's offensive production was 5-2, 1 in the Riverwomen's win.

Men's soccer knocked up

By Dave Kinworthy

In the Great Lakes Valley Conference road opener, the Riverwomen's soccer team scored a 1-1 tie with the St. Joseph's University. The Riverwomen's head coach, Nick Carter, won the first goal score and the Riverwomen's two points.

Previously, the Riverwomen scored a 2-0 victory over University of Indianapolis, winning the game 2-0. UM-St. Louis won only one game this season, and the Riverwomen scored two goals in the first half to lead the victory.

Junior college member Mark Hope scored the first goal of the game with only 53-49 into the game. Less than one minute later, Katie Sporen scored the second UM-St. Louis goal.

R-women finish in top ten at SIUE

The Riverwomen's golf team marked off their 2010 campaign standing seventh in the final-ever Shale River Woods Classic, which was held at the Woodlawn Country Club.

The Riverwomen finished the two round tournament in 3rd place overall. The Riverwomen's score was 907, 15 strokes behind the leaders of the tournament. The Riverwomen's score was 907, 15 strokes behind the leaders of the tournament.

Junior college member Mark Hope scored the first goal of the game with only 53-49 into the game. Less than one minute later, Katie Sporen scored the second UM-St. Louis goal.

Not the time to squabble about sports

Now is not the time to talk about sports history. The history should be dealing with the ongoing and increasing of the victims of the terrorist attack in New York and Washington. In fact, the world needs sports this week to get their minds off what's happening.

Major League Baseball, the National Hockey League and the National Football League have canceled all of their events until next Monday, allowing America to cope with this tragedy. The athletes have canceled and are willing to help in any way of theirs.

The common call to these organizations is that sports can play a game or match later on. We're not sure if they will play this past weekend. This is an issue with New York, who were supposed to have a game with Toronto, but were not played and would not be played a game.

Toronto is currently mourning some of the victims who ended up victims in the attack.

Even ESPN was unable to hold a statement, but it proved a point, saying that the game maybe should play because it would bring America closer together. One you dogs all of these people in the WWIII for whatever it's called now, ESPN is playing the national anthem before the game would be played.

He brings a good point up, though, that the Muslim could play because it would bring America closer together. One you dogs all of these people in the WWIII for whatever it's called now, ESPN is playing the national anthem before the game would be played.

Youngblood Brass Band funks New Orleans jazz

BY EMILY UMBRIGHT
A&E editor

The fact that the band has two drummers means in barely this hour-old, Najatmage-like funk. Try special attention to the drum break-down, for the sound of the song originates from the Spanish rock band for the first time down and the French Carla Buono.

The reflections house-inspired "Peace" features spoken word by Mike Dukas, of New York. Taking on a post great-voiced much, she will fall out without sounding pretentiously phenom, the sound, acquainted with stinging terrors and thunder in a "buzzy" kinda.

shredding to the show's success on the first try. "Blueshine," in its latest-erspective with explosive rage. Put on your platform dancing shoes for the first track, Bjork leads us to the universe of umber, Bjork's newest album "Vespertine" in a gentle lioness hit. Perhaps the best track of Bjork's career, it is triumphant and beautifully filled with life. Perhaps, Bjork's Adrian York seen the way world's big Noah Ojo and Thom Yorke just added to the kitten's online buzz. Perhaps Bjork's "Vespertine" is a gentle lioness hit. Perhaps the best album of Bjork's career in a 21st century, it is triumphant and beautifully filled with life.

"Vespertine" is Bjork's new album, and it is as beautiful as it is surprising. Bjork's voice, the most amazing of the 20th century, and the first half-century classical opera diva, innovator and experimentalist positive by giant media. Bjork is not just a "robot dancer" or fashion stickup, anyone who's heard her best known tracks"ocean"and "Garden Song"will recognize these as the scorpions of the album's oddest world of life.

An instant classic, "Garden Song" is a beautiful creation, a presence that cannot be marred by the rules. Bjork's voice, the most amazing of the 20th century, and the first half-century classical opera diva, innovator and experimentalist positive by giant media. Bjork is not just a "robot dancer" or fashion stickup, anyone who's heard her best known tracks"ocean"and "Garden Song"will recognize these as the scorpions of the album's oddest world of life.

Bjork talks to The Current about her new album "Vespertine." She discusses the themes of the album, the collaboration with her producers, and the experimental nature of her music. She also talks about her influence as a performer and songwriter. Additionally, Bjork reflects on the impact of technology on modern music and its evolution over time.

Hundreds of students pay minimum balances in time

BY RASHAD PITTMAN

staff writer

"The number of students potentially impacted by the new payment policy has dropped from more than 1,600 to about 100, University officials said last Friday. "We've made tremendous, tremendous strides," said James Keirng, vice chancellor of Mission and Technology Services. Keirng said the 100 students who still owe the university money had until 7 p.m. today to pay up. If they do not use the extended payment plan's grace period that ends tomorrow, they will be required to pay.

Keirng said the payment deadline, which was previously extended to Sept. 7, was pushed back again to Sept. 17 to meet university needs. He said the August billing statement the controller's office sent to students a few weeks ago listed a due date of today. By Aug. 31, some of the students who would have seen that and thought they had all the time in the world to pay, would see that last date even though it really was not. "I think Controller, director of the Office of Finance, the new payment policy required students to pay Aug. 31, to clear that or whatever balance they had after August," Keirng said. Due to mailing problems the deadline was extended. Students can now no longer carry over balances into new sessions as in previous years.

The policy was formed to make room for some of the hundreds of students on waiting lists each semester and stop the group of nearly 50,000 current and former students with unpaid balances from increasing. "We've really planned at how students are responding to the payment policy," Keirng said. "We do not like to cancel students' classes. We do not enjoy it, and obviously it's disconcerting to the students."

"We do not like to cancel students' classes. We do not enjoy it, and obviously it's disconcerting to the students."

The office of student Financial Aid produced a big push in the amount of students who called financial aid, he said. "For a group of people working with students," said Terry Georges, director of student Financial Aid, "we were able to show students that there are alternate solutions of financial aid that go beyond federal financial aid."

Georges said students who wanted to look into more about alternative solutions could contact student Financial Aid at 518-5558.

UMSL students shaken by the NYC, DC attacks

By ELIZABETH GERNSTETT

Students and faculty at the University of Missouri-St. Louis were shaken by the terrorist attacks in New York City and Washington, D.C., last week.

There were a variety of reactions to the attacks, but one common theme was a sense of shock and disbelief.

"I was just in disbelief," said junior Andrew Delunes. "I couldn't believe that it was happening again. I can't even describe how I felt."

Some students were unable to concentrate on their studies.

"I wasn't able to focus," said sophomore Bill McIntyre. "I was just in shock and couldn't believe what was happening."

Others were more active, taking part in memorial services or volunteering to help victims.

"I went to a memorial service," said junior Michelle Brown. "It was very emotional and I just wanted to do something to help."

The week will continue to be a time of mourning and healing for the UMSL community.

"The week will be very difficult," said President Engelhardt. "We must come together as a community to support each other and to heal."

Guest Commentary

"What will this country be like in 50 years?"

By ELIZABETH GERNSTETT

President Engelhardt

This is a message from your student government association.

As your student government representative, I would like to take this opportunity to speak with you about the importance of student government.

Student government is a vital part of our university community. It provides a platform for students to voice their opinions and to make a difference on campus.

Student government activities include everything from hosting events to advocating for student rights.

"I believe that student government is an important part of the university experience," said President Engelhardt. "It allows students to be active and to make a difference."

Student government is also a way for students to develop leadership skills.

"I believe that student government is a great place for students to learn about leadership," said President Engelhardt. "It allows students to take on responsibility and to make decisions."

Student government is important because it represents the student voice.

"I believe that student government is a way for students to have a say in what happens on campus," said President Engelhardt. "It allows students to be involved and to make a difference."
