New President, Handler Takes Oath At S.A. Ball

Miss Merifield, an honor graduate from Barnes Hospital School of Nursing, has been attending Missouri University since the Fall semester. She intends to return to school here in the Fall of next year. She will leave for Iran around July 1 and will return to the United States on September 5.

While living in Iran, Miss Merifield will stay with an Iranian family and will travel around the country. She will visit homes, institutions, and churches to learn as much as possible about the culture and people of Iran.

To Give Lectures

While she is abroad she will also visit Athens, Greece, and possibly Istanbul.

Before leaving for Iran, Miss Merifield will undergo an intensive five-day training program in Brattleboro, Vermont.

After her return to the U.S. she will give many lectures on Iran and its people.

Pool Open To Day Students

The Student Association, in cooperation with University officials, opened the pool to full-time day students on May 12. While living in Iran, Miss Merifield will continue to attend University with the other members of the group.

In addition to Timpe, 10 other voting delegates will be attending the convention that will be held in the Tiber Motor Inn in Columbia on June 4-6. The delegates chosen so far are: David Depker, Betty Barrett, Joy Zumback, Jane Moore, Tom Future, Pam Johnson, and Sherry Cannon.

10 From Here

About 15 delegates will be sent from Universities in the St. Louis area. Schools sending delegates are St. Louis University, Washington University, Maryville, Webster College, and the Junior College District.

The convention will open at 2:30 p.m. on June 4. Voting for state chairman will be at 7:30 that evening.

Both Pretty and Talented

Female members of the cast of "Antigone" pose during final dress rehearsal. Cast members from left to right: Pam Johnson, Holly Ross, Sharon Kral, who played the title role, Kathy Vanasse, and Carol Mader.

At 10 p.m. Dr. James Bugg, Dean of Faculty, administered the oaths of office to Handler, new SA president; Wayne Emms, vice-president; Sandy Bledgett, secretary; and Ralph Orlovick, treasurer.

Followings the administration of the oaths, Dave Zerrer, retiring SA president, presented a gavel, a symbol of the office of president, to Handler.

Miss Merifield gave a gavel, a symbol of the office she was leaving, to Emmi. Sandy Bledgett received a pen and a notebook from retiring secretary, Sue Keim. Ralph Orlovick was given a gavel by Mike Minkin, who was leaving the office of treasurer.

The Inaugural Ball was held this year in the Crystal Room of the Sheraton-Jefferson hotel. Music for the affair was provided by the Jack Englar orchestra.

Eight students were awarded Student Association commendations for service rendered to the University at the Student Association's Annual Inaugural Ball on May 8.

Eight students were awarded Student Association commendations for service rendered to the University at the Student Association's Annual Inaugural Ball on May 8.

The current state chairman is Frank Bied of the University of Missouri at Columbia.

The duties of the state chairman are to co-ordinate activities between the regular Y-D's (21-40 group) and the college groups, and between the national college groups and the Y-D groups in Missouri.

The chairman will take office from the day he is elected until the convention next year when a new chairman is chosen.

The convention will close officially after a dinner on June 5 at which Governor Harriman will be the principal speaker.

Miss Merifield's scholarship was one of four given by the Association. She and the other recipients will be presented their scholarships in a ceremony with Mayor A. J. Cervantes.

OLD AND THE NEW

photo by Schrieb

The outgoing Student Association president, David Zerrer, congratulates president-elect Alan Handler, after swearing in ceremonies at the Inaugural Ball, May 8.

Marlene Merifield To Study, Live In Iran On Scholarship

Miss Merifield, an honor student here, was recently awarded a scholarship to study in Iran this summer by the St. Louis Council of the Experiment in International Living.

Club Here Aids Flood Victims

The Spanish Club here, under the direction of Dr. Frances Craggley, assistant professor of Spanish, recently sent 321 pounds of relief materials to flood victims in the Hannibal, Missouri area.

Thirty boxes of canned foods and clothing were sent to Hannibal for distribution to flood victims through the Red Cross.

The Greyhound Bus Company shipped the materials to the disaster area free of charge.

BOTH PRETTY AND TALENTED

Female members of the cast of "Antigone" pose during final dress rehearsal. Cast members from left to right: Pam Johnson, Holly Ross, Sharon Kral, who played the title role, Kathy Vanasse, and Carol Mader.

The Drama Club's Play "Antigone" Scores Big Hit With Audience.

The drama club's first production, a modern adaptation of Jean Anouilh's stage play Antigone, was presented here on the evenings of May 5 and 7.

150 Alkahd

The play opened play 5 with a crowd of 70 students and visitors. The drama club reached more than 500 in ticket sales for both nights. According to Sharon Kral, who played the lead role of Antigone, the play seemed to be "a very great success."

Other members of the cast of Antigone were: Ed Kottkamp, Kathleen Vasquez, Dave Ross, Frank Rossomanno, and Sandy Bledgett.

The play was produced by Carol Mader and performed a new mask under the direction of Miss Judith Jenkins of the English department.
Next year, according to business manager John Perry, parking problems are going to be much more serious than this year's because enrollment will be greatly increased but parking facilities will not. Besides the shortage of space, another problem will be the necessity of increased parking fees.

One of the obvious answers lies in students forming car pools to cut down the number of vehicles brought on campus and to allow students to share parking fees. The Student Association could, should, and probably will do what it did this year, and that is provide a car pool coordinating service free of charge to students.

Another answer to the parking situation might be improved bus service to the University. Right now bus schedules are poor on Natural Bridge, with buses coming at widely spaced intervals, and with lengthy transfer waits in Pine Lawn for those students coming west on Natural Bridge. The buses on this route are generally older busses that are uncomfortable and not air-conditioned. If the administration could work out a plan with the Bi-State Transit corporation to get better and more busses on Natural Bridge, with a direct route to the University, perhaps more students would be willing to take the bus next year. This would both alleviate the parking problem and allow busy students to study en route to school instead of driving.

**Pool's Open... But How Long?**

Thanks to the Student Association and the University administration, students here are now enjoying use of the swimming pool every weekday between the hours of 1 p.m. and 5 p.m. The only bad note about the pool's opening is the date of the closing, May 28. After this date only summer school students will be permitted to use the pool.

It seems that those students who are here now, and who have enrolled for next Fall's term should be allowed pool privileges over the summer months.

Perhaps they could be charged a small fee for the season for a pass, or be given a pass at the end of the year that will allow admittance to the pool during the summer upon payment of an admittance charge each time.

"Antigone"... Job Well Done!

The Drama club is to be much congratulated on an extremely well done production, Antigone, the first of many, it is to be hoped, similarly successful dramatic presentations.

Attendance was good both evenings of the play, and for this, the students and faculty are to be commended.

Many hours were spent by cast members and their advisors Miss Judith Jenkins to produce an excellent play with a minimum of time, funds and facilities.

The basketball team represented our school very well.

There are a number of people on this campus who have performed a great service to the University but have often gone unacknowledged.

Dave Zerrer, the S.A. president, has put in many hours of time for the benefit of the students. We may not have always agreed with his programs, but the majority of them have been down-to-earth, practical, far-reaching ideas.

**SA Success**

Jane Moore, Alie Payne, Roy Steuber, Barry Hapner, provided the direction and effort needed to complete the 1965landmark.

Mary Killenberg, (and MIG, too), cooperated with the entire Mizzou News staff to provide the biggest newspaper this campus has ever seen. Good luck next year, Pam.

The Drama club, under the direction of Miss Judith Jenkins and Frank Rosenau, presented Antigone. Outstanding members of this organization include Carol Maier and Sharon Kral. Max the Drama club receive much money from the Student Affairs Committee for next year's presentations.

The Purple Onion was a huge success under the multicolored flag of Eddie Fritzman.

**Basketball Tops**

The campus religious chaplains and the officers of all religious organizations deserve commendation for maintaining and enhancing this very important aspect of our lives.

Dave Depker organized our intramural program in the history of the University this year.

The basketball team represented our school very well. Special notice goes to Dave Miller and John Sarakatsis, co-captains.

Bill Burns (a new employee of Servomation) stocked the Campus Zoo with some very unique creatures.

The Administration has provided very capable leadership and has vested much responsibility in the students and S.A.

Finally, I would like to thank the executive board of the Young Democrats for the cooperation they gave me in forming the third largest club in the state, with their assistance, the Y-D's have had many political and social activities. Governor Hearnes' appearance on our campus—along with Lt. Governor English, Attorney General Anderson, and 17 county candidates, marked the highlight of our year. Added events included--the swimming party and picnic for the incoming freshmen; a hayride put on in conjunction with Washington and St. Louis universities; the nationally-noticed Kennedy Memorial March; a dance; the Mock Election held in conjunction with the Young Republicans and the SA; and a number of controversial speakers programs.

Next year the Y-D's are planning to have state, local, and federal officials speak on the campus.

On June 4 and 5 the Y-D's of Missouri are holding their state convention. Our school will be represented by II of our best Y-D's. We will have a candidate for state chairman of the College YD clubs of Missouri.

In gratitude for everything that has been done for us, Dave Depker and I are planning a hayride for all on Saturday night, May 28. See Dave or me about details.

Thanks everyone.

Larry Timpe

Ed. Note: Larry Timpe has been so busy putting everyone else's back that he has modestly overlooked himself... but we haven't. Aside from his passion duties in the Y-D Club and as Chairman of the Student Employment Committee, Larry is a candidate for the Chairmanship of all the Y-D Clubs in Missouri. It's our turn to do some back patting.

Shaft Columnist Suggests School Colors and Mascots

It is a well-known fact that colors and mascots are things that are necessary for any type of spirit. The Civil War, for instance, which began 150 years ago and according to JoAnn Bane is still going on, would have been nothing without those colorful blue and grey uniforms. Colors give identity. Even today our own army has beautiful olive drab uniforms. But we digress.

Meanwhile, back in the oriental splendor of the student lounge, a battle is raging. The entire school is torn by various factions, each with its own choices for school colors and mascot.

The Civil War, for instance, which began 150 years ago and according to JoAnn Bane is still going on, would have been nothing without those colorful blue and grey uniforms. Colors give identity. Even today our own army has beautiful olive drab uniforms. But we digress.

Meanwhile, back in the oriental splendor of the student lounge, a battle is raging. The entire school is torn by various factions, each one with its own choices for school colors and mascot.

The basketball jocks, for example, want to keep the black and gold colors because they just shelled out for letter jackets in those colors and mascot.

But we digress.

Next year's Senate reportedly also wants black and gold but with a new mascot.

There is also strong support in the student body for red and black with a deck of cards as a mascot.

So, taking my 10th and my illustrated copy of TROPE OF CANCER in my hands, I ventured into this mass of seething unrest and seething pizzaburgers.

"Pardon me, sir," said I, picking a student at random. "What are your choices for school colors and mascot?"

He had obviously just come in from the parking lot, because he was covered with a coating of white dust.

"Huh?" he said intelligently, "school colors and mascot?"

I repeated, standing back as he was temperamentally obscured from my vision by the dust he was brushing off. "Didn't you hear about the $25 prize for best suggestions?"

About 30 minutes later, after the dust cloud had settled, he said, "Twenty-five bucks. Geez!"

Volleyball Team Takes First at Concordia

The St. Louis campus intramural volleyball experience proved handily as the first place team won the consolation trophy in the Concordia College Day Volleyball tournament, May 8 at Concordia Seminary.

The members of the victorious team were Marvin Ashley, Pete Shanklin, Frank Timpson, Chuck Dyn, and Jack Matthews.

In the consolation game the two Mizzou teams were pitted against each other, thereby insuring a Mizzou trophy.

Some Lively...
