

**UM-St. Louis Research Awards
Application Form
341 Woods Hall, Phone: 516-5894**

Please review the **guidelines** and **application format** at [link](#).

PRINCIPAL INVESTIGATOR

Name: _____ Campus phone number: _____
 Dept./School: _____ Academic rank: _____
 Campus address: _____

CO-INVESTIGATOR/S (if more than one, submit an additional copy of this cover page and the budget page)

Name: _____ Campus phone number: _____
 Dept./School: _____ Academic rank: _____
 Campus address: _____

PROJECT TITLE (limited to 100 characters including blanks) **Type of Application:**

TYPE OF SUPPORT REQUESTED: (check all applicable)

Research Leave (release from all teaching & service for one semester)	PI	Co-I	Fall	Winter	Acad. Yr.
Summer Salary (cannot be requested in conjunction with a Research Leave)					
Equipment & supplies					
Travel					
Teaching replacement (release from teaching one or more courses)	PI	Co-I	Fall	Winter	Acad. Yr.

PROJECT START DATE: _____ **PROJECT END DATE:** _____

SUMMARY OF BUDGET CATEGORIES (Provide details on next page and justification in the Proposal Narrative):

Salaries and wages (S & W)		Other research support (E & E)	
Principal Investigator	\$ _____	Travel	\$ _____
Co-Investigator (Co-I)	\$ _____	Equipment	\$ _____
Research Assistants	\$ _____	Supplies	\$ _____
Postdoctoral Assistants	\$ _____	Other (specify)	\$ _____
TOTAL S & W	\$ _____	TOTAL E & E	\$ _____
TOTAL GRANT REQUEST	\$ _____		

Proposed project will involve: (Check all that apply)

Human subjects Animal subjects Recombinant DNA Radioactive materials

Have you consulted with the ORA to learn about external funding opportunities for this project? Yes No

All applicants agree to notify the Office of Research Administration in writing if additional support is received for this project, or if any summer teaching commitments are made after submission of the application.

 Signature of Principal Investigator Date

 Signature of Co-Investigator Date

 Signature of Department Chair Date

 Signature of Dean Date

Please mark the category which best describes the research methods you are proposing to use.
