Greetings!

As you probably know, this will be my last message to you as Staff Association President. It has been a rewarding journey getting to serve as your President. We started out the year to build on the past success and to increase staff involvement and strength the organization. This year the Staff Council continued to reach out to areas which lacked representation, and made changes in unit representation to hopefully increase involvement. We also welcomed the staff from MIMH to the Staff Association.

I would like to thank all those that served on Staff Council, supported the many events by attending and/or volunteering your time setting up the events, The Link, Focus on the Future, etc. While my term as President is up, I look forward to continuing serving as Intercampus Staff Advisory Council Chair, and as the staff representative on the Presidential Search Advisory Committee. I leave you in the very capable leadership of the new Staff Council Officers, Amanda La Brier, Robert Peterson, and Sandy Crawshaw and the rest of the 2011 – 2012 Staff Council.

Thanks to all those that ordered Staff shirts, the order has been submitted and we are hoping to receive them by the end of June. Once they have arrived we will get in touch with those that placed orders.

If you were unable to make the Staff Association golf outing some photos from the event are now available in the Staff Association Photo Gallery at www.umsl.edu/staff. If you have photos from Staff events you’d like to share let us know.

Thanks again for all your support this past year. It was been a privilege getting to serve as your President, UMSL really does have great staff!

Volunteer of the Month - May 2011

Margo Harris and Linda Mitchell

"I am recommending Linda Mitchell and Margo Harris as Volunteers of the Month for their exceptional service at the Touhill Performing Arts Center. During the April 22nd storms and tornado these ladies were at the Touhill volunteering on an UMSL student production. When the call was made to move the audience to safe shelter these two ladies got the chance to implement a safety protocol. They both established themselves as guides to move the audience, kept the patrons calm and orderly through their own calm and confident demeanor, kept the managers informed of patron needs and coordinated the departure of over 100 people in building blackout conditions. The Touhill received written and verbal complements about the calm and safe manner in which the staff and volunteers handled the whole evening and these two volunteers were critical to the success of that safety situation.

Linda has been volunteering at the Touhill since September of 2010; Margo has been with us since February of 2004. Both are shining examples of individuals who excel at their volunteer positions."

Please share this information so your colleagues will know about programs and resources that will help them get moving and take charge of their health. To read about other programs, success stories, and events, please subscribe to the wellness newsletter by e-mailing Healthy for Life or visit our website.

Wellness Ambassador Luncheon—Be sure to RSVP!
The RSVP’s are coming in, but we’re still missing several of you! Be sure to send yours today. We look forward to having a full house for the annual Wellness Ambassador luncheon on June 28th at the Millennium Student Center. This is a great chance to learn what others are doing to promote wellness in their work areas, share your successes and learn what Healthy for Life is planning in the upcoming year. Exciting times are ahead and we want you to be part of it. To RSVP to the luncheon, click the “YES” voting option on the invitation sent on May 6th. If you did not receive the invite, email Melissa Willett.

Stress Reduction Meditation
University Health, Wellness and Counseling Services is offering meditations sessions Wednesdays, 12:15 to 12:45 pm, in 225 MSC- Student Success Center, Conference Room. They would like to invite new members to join them in what they have found to be a wonderful antidote to the stress in their lives. The half-hour weekly sessions include a brief introduction, a 20-minute guided mindfulness meditation, followed by brief discussion. This group is designed for beginning, as well as experienced meditators. New members are welcome at any time during the semester. Call Wellness and Counseling Services at 516-5711 with questions.

Walking Groups—Pedometer Program
Has your department always wanted to start a walking challenge, but didn’t know where to begin? Now is your chance! Healthy for Life has Walking Tool Kits hot off the press that will provide you with the tools to begin a walking group or walking challenge in your department. Faculty and staff can purchase pedometers for $15, and a full refund is given at the completion of one million steps. To purchase a pedometer, contact Wellness Ambassador Faith Lucas at 204 Woods Hall.

St. Louis County Parks & Recreation
The weather is getting warmer and a great way to fit in some exercise is to get outdoors. St. Louis County Parks and Recreation has lots to offer. Check out the complete list of activities and events at http://www.stlouisco.com/ParksandRecreation.

Share your Success Story
Do you have wellness success story that may motivate others to become healthier? Have you stopped smoking, lost weight, or decreased stress in your life? If so, we would love to hear about it! E-mail Melissa Willett with your accomplishments or give her a call at (573) 884-1397.

Stay Cool and Beat the Heat

If you’re like me, you hate the heat. Living in Saint Louis, however, you just come to expect it. Sometimes we get so accustomed to it, that we don’t take all the risks associated with high temperatures as seriously as we should. Excessive heat has caused more deaths in recent years than any other weather-related events. True story. With temperatures already reaching near 100 degrees, certain precautions are recommended. Here is a list from RedCross.org’s website:

- **Dress for the heat.** Wear lightweight, light-colored clothing. Light colors will reflect away some of the sun's energy. It is also a good idea to wear hats or to use an umbrella.

- **Drink water.** Carry water or juice with you and drink continuously even if you do not feel thirsty. Avoid alcohol and caffeine, which dehydrate the body. Avoid using salt tablets unless directed to do so by a physician.

- **Eat small meals and eat more often.** Avoid high-protein foods, which increase metabolic heat.

- **Slow down. Avoid strenuous activity.** If you must do strenuous activity, do it during the coolest part of the day, which is usually in the morning between 4 and 7 a.m.

- **Stay indoors when possible.** If air-conditioning is not available, stay on the lowest floor out of the sunshine. Remember that electric fans do not cool, they simply circulate the air.

- **Be a good neighbor.** During heat waves, check in on elderly residents in your neighborhood and those who do not have air conditioning.

For more information and tips, go to [www.redcross.org](http://www.redcross.org) and type in “heat” in the search bar.

Grilled Sicilian Chicken

*Recipe by Pat Sowinak, from the Staff Association Cookbook*

**Ingredients Needed:**

- 5-6 skinless, boneless chicken breasts
- 1 bunch fresh basil, finely chopped, shredded
- 4 cloves chopped fresh garlic (more if a stronger taste is preferred)
- Olive oil
- Bread crumbs
- Fresh lemon juice (optional)

Lightly sprinkle chicken with oil. Sprinkle basil and garlic with oil and place on each piece of chicken. Place in a container or plastic bag and marinate for at least an hour.

NOTE: I have found that the flavor of the basil and garlic is not very intense after only 1 hour. I usually plan to marinate the chicken overnight to improve the taste.

When ready to grill, sprinkle more oil over the chicken if necessary and coat with bread crumbs. Leave the garlic and basil in place as much as possible. Grill over medium coals for 5-6 minutes each side. You may need to grill longer on each side if the pieces are especially thick. Drizzle fresh lemon juice over cooked chicken if desired.
