Greetings!

UMSL Staff,

I would like to thank all UMSL staff who attended the August 5, 2011, 2nd Annual Ice Cream Social & Staff Picnic at Oak Hall. I am pleased to share that 204 UMSL staff members gathered on South Campus to enjoy lunch and ice cream. Thanks again to Chancellor Tom George for his commitment to the event.

As Staff Association President, I am often told of staff members who go above and beyond their duties in their positions on campus to aid a student, faculty member, coworker, or simply are generally helpful to a visitor unfamiliar with our campus. Recently, I heard about a member of our custodial staff who was approached by a new student accompanied by a parent visiting our campus. Both the parent and student were lost and having difficulty locating an office on campus. The custodian who had already worked a full day and had clocked out, attempted to verbally direct them to the campus department, but could see that the situation was growing increasingly tense for the visitors and took the time to personally escort the visitors across campus to their destination. Hats off to our UMSL custodian in this story who is a true ambassador for our campus!

As we begin the new semester, please join me in welcoming students and faculty, both new and old, to our campus. I encourage all staff members to be watchful for students, faculty, and visitors on campus who need assistance. It is truly the little things we do every day that incite positive feedback about UMSL, and the illustration above is a true reflection of the outstanding staff members employed here on our campus. All of you make the work environment constructive and pleasing for us all.

Finally, I would like to invite you to review the Staff Association Committee webpage at http://www.umsl.edu/services/sassoc/committees/index.html. Please consider volunteering for a Staff Association Committee. Staff Association needs your help! If you are interested in participating please contact me (516-5899 or labriera@umsl.edu) or your Staff Association Unit representative (www.umsl.edu/services/sassoc/units.html).

Last but not least, again, I strongly urge you to attend one or more Staff Association Council meetings over the next year as we address important campus topics that affect all UMSL staff. Please mark your calendars for the third Wednesday of each month for the Staff Association Council meeting, which is open to all full-time UMSL staff.

Sincerely yours,

Amanda Labriera
Riverstars Employee of the Month

The UMSL Riverstars Employee of the Month winner for July was Nancy Ashford. Nancy is a Coordinator for the College of Education. Nancy was chosen for the Versatile, Innovative, Productive “VIP” award. Comments made about Nancy included, "Nancy always does everything with perfection in mind. She will stay longer to make sure her work is done and if a student just happens to drop in with a problem, she will not leave until she has helped them solve it. She always goes out of her way to do whatever is needed.” Nancy received a $125 gift certificate, commemorative plaque and an automatic nomination for the Chancellor’s Award for Staff Excellence. Congratulations to Nancy!

Volunteer of the Month-August 2011

"Efficiency, commitment, and consistently hard work are the key character traits Jan brings to her volunteering. I could not ask for a more dedicated volunteer. She really goes above and beyond. Jan has even taken work home on several occasions! She is a joy to have in the office - always kind, cheerful and in a good frame of mind for work. She needs very little guidance and I trust her work implicitly. I hope this relationship continues for a long time!"

**Baked Apples**

*Recipe by Christopher Boyce*

**Ingredients Needed:**

- 4 large good baking apples
- 1/4 cup brown sugar
- 1-1&1/2 teaspoon cinnamon
- 1/4 cup or chopped raisins
- 1 Tbsp butter
- 3/4 cup boiling water

**Instructions:**

Core the apples, using a spoon to dig out the seeds but leaving the bottom 1/4” intact so that you end up with an apple bowl of sorts. Place apples in a 8x8 square baking pan. Combine the sugar, cinnamon, and raisins, and then stuff each apple with this mixture. Top each with a generous pat of butter. Add about a cup boiling water to the baking pan and bake for about 30 minutes, periodically basting the sides of the apples with the pan juices. Serve warm with vanilla ice cream.

Volleyball season preview: Experience to lead the way
by Mary Ann Mitchell

Coming off its third straight 20-win season and a berth to the NCAA Regionals for the first time in 15 years, the University of Missouri–St. Louis volleyball team looks poised for another strong season with a handful of key contributors returning.

The UMSL Tritons will look to continue its recent dominance under the direction of first-year head coach Ryan Young. Although in his first season at the helm, Young is no stranger to the program having served as assistant coach last year.

Young inherits a team led by talented and experienced seniors Weslie Gaff, Shelby Crawford, and Erin Higgins. All three were all-Great Lakes Valley Conference selections in 2010. Gaff was a first-team all-league selection at middle hitter last season after leading the team with 281 kills, 83 blocks and a .346 hitting percentage. Higgins, an opposite and outside attacker, earned second-team all-GLVC honors with 212 kills and 59 blocks, while Crawford, another opposite side attacker, was tabbed as a third-team all-GLVC selection after posting 244 kills and a .295 hitting percentage.

The Tritons also return sophomore Corinne Hoekstra to the net. She started 26 matches in her initial playing season and averaged 1.20 kills and 0.69 blocks per set.

The direction of the offense appears to be in good hands with the return of sophomore setter Anna McNulty, who led the squad with 650 assists (6.13 apg) and 29 service aces, while adding 1.39 digs per set in a 6-2 offense.

Other returning letterwinners include junior Liz Jaeger and sophomores Chelsea Burkle and Tabatha Albers. Burkle saw the most playing time of those three a year ago, averaging 1.18 kills, 0.69 blocks and 0.40 digs per set, but all three are expected to vie for significant playing time left void by outside hitters Liz Cook, a four-year standout who graduated and Kelsie Rankin, who will redshirt this season due to an injury after starting 28 matches and recording 2.43 kills per set in 2010.

The Tritons will also welcome four newcomers looking to make an immediate impact, including juniors Katie Haseltine, Jennie Manis and Haley Woods and freshman Alisha Skaggs.

Haseltine, Manis and Skaggs will all look to help bolster the back row, while Woods will look for time at the setter position. Haseltine last played at the University of North Alabama in Florence from 2007-08 after a four-year career at Nerinx Hall in Webster Groves, Mo., where she was a four-time all-district and two-time first team all-conference honoree.

Manis comes to UMSL from John A. Logan Community College in Carterville, Ill., where she earned first team all-conference and All-Region 24 honors after averaging 5.5 digs per set and helping her team to two NJCAA Region 24 championships. Skaggs was a four-time all-conference and all-region honoree at Washington (Mo.) High School and also earned honorable mention all-state honors as a senior after recording 296 kills, 322 digs and 42 service aces.

Woods averaged 4.6 assists, 2.3 digs and 1.8 assists per set last season at Illinois Central College in East Peoria, Ill., while helping her team to a sixth place finish at the national tournament.

UMSL will open the 2011 campaign Sept. 2 and Sept. 3 by hosting the Tritons Classic. They entertain Wayne State (Detroit) and Gannon University (Erie, Pa.) on Sept. 2 at 10 a.m. and 5:30 p.m., respectively before facing the University of North Alabama and Lindenwood University (St. Charles, Mo.) on Sept. 3 at 11:30 a.m. and 7 p.m., respectively.
