Greek Week 2015
University of Missouri- St. Louis
Rules and Regulations

General Rules
Greek Week is open to members of social organizations recognized by the Inter-Fraternity Conference, Panhellenic Council, National Pan-Hellenic Council and the University of Missouri – St. Louis.

Eligibility Requirements
To participate in Greek Week members must meet the following requirements:
- University of Missouri – St. Louis students only
- Must be enrolled in at least 6 credit hours for the current semester
- Must have at least a 2.25 cumulative G.P.A. inclusive of the fall semester
- Only active, dues paying, undergraduate members may participate
  o New Members are allowed to participate

Member Participation
If a member of an organization should at any point reach alum status within their chapter they will no longer be able to participate in any Greek Week from that point forward. **A member of an organization may only participate in a maximum of 5 Greek Weeks at UMSL**

Person’s whose names do not appear on the official roster by the specified deadline will be ineligible to compete in any and all events during Greek Week. Participation by any person’s not on the roster, or participation by those who are not currently attending UMSL will result in the disqualification of the organization for the event in which the infraction occurred, also resulting in zero points for that organization in the event.

If a member of an organization is currently a member of an UMSL sports team (basketball, volleyball, soccer, softball, golf) they will not be able to participate in that particular event during Greek Week. Additionally, a member of the UMSL baseball team can’t play softball, a member of the golf team can’t participate in mini-golf, and roller/ice hockey can’t play hockey.

Before every event, participants must check in with the Steering Committee. Each participant will be required to present their UMSL or state-issued ID and sign their chapter’s roster for that event. If the participant does not have their ID present or cannot verify their name on the roster, that team will not be allowed to participate in that event.

Alcohol and Substance Policy
All fraternity and sorority members participating in Greek Week 2015 shall understand that all activities relating to Greek Week are not to involve the possession or consumption of illegal substances. The Steering Committee, IFC, PHA, and the Office of
Student Life will have a ZERO TOLERANCE POLICY for all events concerning Greek Week for any fraternity or sorority member, regardless of age.

Any of-age member wishing to consume alcohol at any Greek Week event must check in with the Greek Week Advisor and Steering Committee to verify age and obtain a wristband provided by the Steering Committee. Any member wishing to consume alcohol at any Greek Week event must adhere to the Interfraternity Council Minimum Risk Standards regarding quantities of alcohol.

Violation of this policy will result in disqualification of the entire team of the event in question, or may result in disqualification of the entire team from all Greek Week events.

Greek Week Team will be subject to disqualification if:
- Alcohol is consumed by any underage member of the Fraternity & Sorority community at any Greek Week event.
- Any member is in possession any illegal substances at any Greek Week event.
- Any member is observed or cited by law enforcement officials for any alcohol or illegal controlled substance violation at any Greek Week event.
- Any member attends a Greek Week event under the influence of illegal substances.

All members of the approved chapter roster are to be held responsible for the above chapter policies.

In the event that a member/members of a Greek Week team is/are cited for a violation of the alcohol and substance policy as stated above, the team’s chapter presidents and chapter advisors will be notified.

**Greek Week Chapter Rosters**
Each chapter must submit their monthly roster on the second Tuesday of every month. The roster submitted on Tuesday, April 7th, 2015 will be considered the official roster for Greek Week. If the official roster has not been submitted by the specified time, the organization will not be permitted to participate in Greek Week.

**Disqualification**
If one team is disqualified for points, the other team will lose points as well. If you are part of a team, you are accountable for everyone on that team.

A disqualified team will have 24 hours to fill out the attached grievance form to dispute the disqualification. This will be taken into account by the Steering Committee and agreed upon before the end of the week.
**Steering Committee**
The Greek Week Steering Committee will consist of two members from each participating organization with each having one alternate available. Only the two MAIN representatives may speak or have a vote when the committee meets as a whole. As the financial support for Greek Week, the Inter-fraternity Council (IFC) and Panhellenic Association (PHA) will have final decision-making power regarding all Greek Week events and expenditures. Both IFC and PHA will provide a liaison to attend Greek Week Steering Committee meetings and report back to the Councils accordingly.

There must be two committee members present at every event during Greek Week. The alternate may fill in for one of the main representatives, if one member is unable to attend an event/meeting. **The Greek Week Steering Committee shall have final say in any event not covered by a referee and/or any incident in which a referee will not call.**

If the result of an event is to be protested, Steering Committee members must be notified via the grievance form within twenty-four hours of the event/incident. The Steering Committee will then collaborate within twenty-four hours to make a decision on the given situation.

**The Greek Week Steering Committee will operate under a zero tolerance/one strike policy.** Physical violence/verbal abuse and any other inappropriate actions (i.e. punching, threatening violence, etc.) will not be tolerated. Any action that may fall under this category is up for review and may result in the removal of the individual from an event or the remainder of Greek Week. This decision will be made by the Greek Week Steering Committee.

Majority vote is the ruling during Steering Committee voting. Steering Committee will meet at the end of each day during Greek Week to review point tallies. In the event of an overall point tie, the highest place will be awarded to the organization with the most first place wins in single gender sports.

If an organization does not have enough members to participate in an event, they will have 15 minutes for participants to arrive or the event will be forfeited and the organization will receive zero points.

Officials will be provided for each event that requires referees. Only team captains may petition the official's call during play, and the official's decision on all calls is final.

**Any organization that violates any of the rules stated here are subject to disqualification of events. The Greek Week Steering Committee will have the final and deciding vote.**

• All kicks must occur at or behind home plate. A strike will be called if the player kicks it in front of the plate.

Team Structure
- Up to 7 members per team (6 without NPHC member) and have 3 members of an IFC fraternity and 3 members of an NPC sorority and at least one from an NPHC organization. Each team is allowed up to two alternates.
- Teams must register using Triton Sync; Once registered, team is final
- Players cannot be on more than one team.
- All family names must be appropriate and keep in mind of the values of the organizations which are participating
- Fraternities and Sororities can have teams that are not for points, but must have ONE team competing for points

Game Play
- Each round begins with a toss-up between two opposing players, with the host asking a survey question that was previously posed to a group of 100 people. (Example: "Name a popular tourist attraction in the United States.") A certain number of answers are concealed on the board, starting with the most popular. The first player to buzz in gives an answer, followed by his/her opponent; the higher-ranked answer wins the toss-up. If neither player’s answer is on the board, the other eight players have a chance to respond, one at a time from alternating sides, until an answer is found. The family that wins the toss-up may choose to play the question or pass control to their opponents.
- The reading of the question will stop when the buzzer is pressed in the toss up round. The question will be repeated up to the stopping point
- The question can be repeated when going down the line of “family members.”
- The family with control of the question now tries to win the round by guessing all of the remaining concealed answers, with each member giving one answer in sequence. Giving an answer not on the board, or failing to respond within the allotted time, earns one strike. If the family earns three strikes, their opponents are given one chance to steal the points for the round by guessing any still-concealed answer; failing to do so awards the points to the family that originally had control.
- Answers are worth one point for every person in the 100-member survey who gave them. The winning family in each round scores the total points for all revealed answers to that question, including those given during the toss-up but excluding the one used to steal (if applicable). The number of answers on the board decreases from round to round, and certain rounds are played for double or triple value.
- The first family to score 300 or more points wins the game.
• The team with the most points after playing will win Family Feud and three (3) Greek Week points

**Organizations teams:**
- Delta Zeta & Sigma Pi
- Alpha Xi Delta & Sigma Tau Gamma
