The SUCCEED Program Admissions Application

Application Overview

The SUCCEED application process is designed to get a comprehensive picture of the applicant's goals and support needs – and how those align with The SUCCEED Program structures & supports. Our goal is to select prospective students who will participate fully and successfully in the program, to achieve their highest desired level of independence and skills in the areas of vocation, social, educational, and independent living. Therefore, we ask that applicants and their parents/guardians complete the application materials honestly and candidly.

Misrepresentation of goals and support needs will risk the likelihood of success in the program. This application should be completed by applicants and their parents/guardians collaboratively; applicants must complete all sections in this document that specifically request a student response.

*Failure to fully and accurately disclose the following information may be grounds for dismissal from the program without reimbursement.
