

Configuring the Remote Desktop Client on Apple IOS (iPad or iPhone)

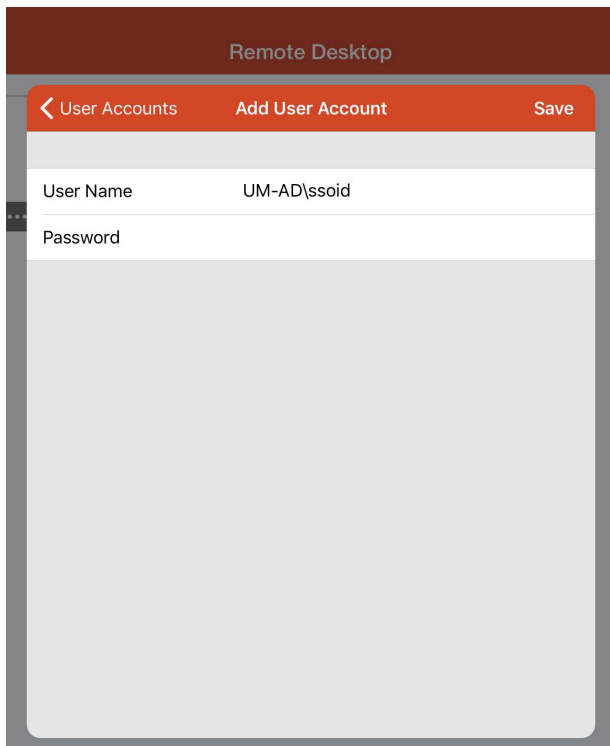

1. Download "Microsoft Remote Desktop" from the App Store

2. Launch Microsoft Remote Desktop App.
3. Click on the + on the top right of the screen to add a profile and select the "Desktop" option.

4. Remember to type the fully qualified name for the computer such as **computername.stl.umsl.edu**. Click Done. Under User account add your sso id in either format: **ssoid@umsystem.edu** or **um-ad\ssoid** and type your password.

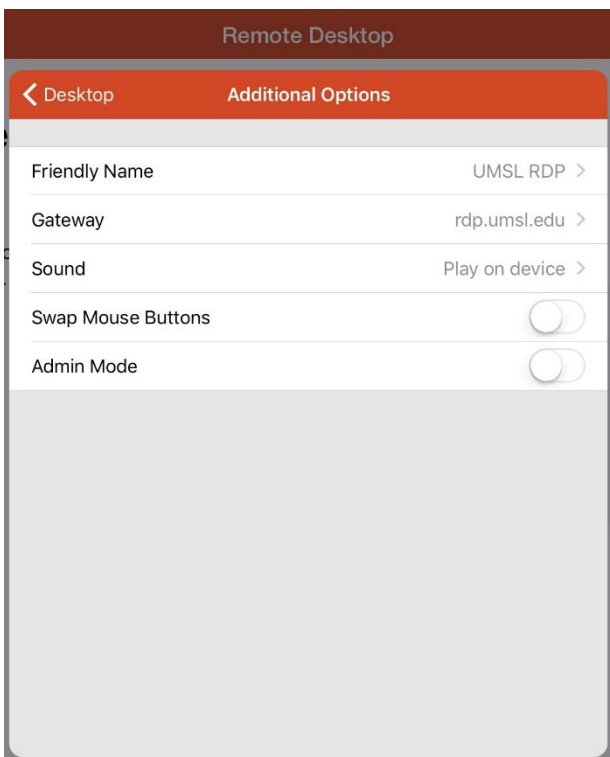

Remote Desktop

< User Accounts Add User Account Save

User Name UM-AD\ssoid

Password

5. Click on "Additional Options" and fill out Gateway information as rdp.umsl.edu

Remote Desktop

< Desktop Additional Options

Friendly Name UMSL RDP >

Gateway rdp.umsl.edu >

Sound Play on device >

Swap Mouse Buttons

Admin Mode
