

IMPORTANT CPT 115 INFORMATION FOR

STUDENTS PLANNING TO TRANSFER TO UMSL FOR A DEGREE IN THE COLLEGE OF BUSINESS

Majors include: Accounting, Finance, Information Systems, International Business, Logistics/Operations Management, Marketing

Beginning Fall 2012, students who complete CPT 115 at SCC will need to pass an UMSL proficiency exam for UMSL's INFSYS 1800 course to meet the prerequisite for UMSL's INFSYS 2800 course. It is strongly recommended that SCC students also take CPT 103 in addition to CPT 115 in order to have the underlying skills necessary for success in INFSYS 2800. INFSYS 2800 is required for all majors within the College of Business. If CPT 115 was taken **before Fall 2012**, taking the INFSYS 1800 proficiency exam at UMSL is strongly recommended in order to measure preparedness for INFSYS 2800.

For more information on UMSL's INFSYS 1800 and 2800 courses, see <http://mis.umsel.edu/syllabi.html> .

For more information on the exam, contact Mimi Duncan at 516-6282 or visit <http://www.umsel.edu/~duncanmv/ba103.html> . You may register for the exam at <http://mis.umsel.edu/1800waiverrequest.html> .

You may also contact the UMSL transfer coordinator at 636-922-8675 if you have further questions about transferability of the CPT 115 course. AKH 4-25-12
