This Guide is intended for the use of students who plan on transferring from Jefferson College (JeffCo) with a completed Associate in Arts to the University of Missouri – St. Louis (UMSL) to pursue a Bachelor of Science in Electrical Engineering.

For more information on UMSL’s Bachelor of Science in Electrical Engineering, please visit our online Course Catalog.

The following are the requirements of the JeffCo Associate in Arts degree program as they are recommended for students intending to continue on into UMSL’s Bachelor of Science in Electrical Engineering. Completing these requirements as they are recommended here will maximize the transferability of a student’s coursework toward their UMSL Bachelor’s degree. Further details of this Associate’s degree program, as well as comprehensive lists of courses that satisfy each General Education component, may be found within the JeffCo course catalog or may be obtained through a JeffCo advisor.

This guide is intended for use under advisement of a JeffCo Academic Advisor or UMSL Transfer Representative and is not considered to be substitution of such advisement.
